Encourage Innovative Public Service by Junior Colleges

Copley News Service
Springfield — Even though no funds have been distributed yet in two innovative public service programs being set up in Illinois public junior colleges, the Illinois Junior College Board is already planning to ask for nearly double the \$2,150,000 appropriation to continue them next year.

Dr. John Forbes, associate secretary for recognition and public service for the IJCB, said that to date grants totaling \$600,181 have been approved in either of two programs, leaving a total of \$1,549,819 still to be allocated.

The funds are being awarded to state community colleges in either the "public service" or "disadvantaged student" category, with total appropriations of \$750,000 and \$1,400,000 for each, respectively.

Final decisions are still being made on the nearly 200 applications which have been received from public junior colleges around the state, and distribution of funds to those schools which have already been approved for grants will begin as soon as letters of agreement—legally binding the schools to carry out the programs—are signed, Dr. Forbes said.

In an unusual approach to total accountability for monies received, the IJCB and the state Board of Higher Education, which jointly pass on grant applications, have devised a brief set of guidelines which are used in applying for money.

These guidelines will show the purpose of the project, whom it will serve and to what benefit, as well as the basis on which the program can later be judged for success or failure. The back of the same sheet will contain spaces for evaluating the project in terms of these goals, when it is completed.

A final report, coupled with the initial application, must be returned by every school for every project funded, Dr. Forbes said, and a book will then be made up of the reports, with a copy going to every Illinois legislator.

"This way, they'll know just what each school set out to do, how it went about it, how it spent its money, and whether it succeeded or failed, and why," he said.

The programs represent new emphasis on the public commitment which was part of the community college program since its inception.

Funds are approved entirely on the value of the program, Dr. Forbes said, with applications so far representing a wide variety of undertakings.

Among them is a grant of \$18,200 approved for the Uptown Educational Program of the City Colleges of Chicago for a juvenile and male automotive center. It will not, as it sounds, give instruction in motor and body work, but will try to interest disadvantaged students in automotive careers by letting them help build, maintain and race a dragster.

The Loop College of the City Colleges of Chicago was granted \$14,330 for a project which will teach ADC (aid to dependent children) mothers how to find day care help, how to manage finances, how to seek part-time employment, etc., and then send these women into disadvantaged areas to teach other ADC mothers the skills they've learned.

Other projects would concern senior citizens, establishment of bilingual services, rural parents of handicapped children who do not have access to specialized programs and several to teach teachers special skills in teaching the disadvantaged.

One would teach college teachers to teach reading — a field usually left to the elementary school teacher — which becomes essential when dealing with college students who have never adequately mastered elementary school reading or study skills.

In some instances, schools are asked to do further work on their applications. Others are instructed to seek financing elsewhere, and some are turned down completely at this time, Dr. Forbes said.

GC Workers Honored for Service at Olin Corp.

Three Granite City residents were among the 371 employees of the Olin Works in East Alton honored at a Milestone Dinner Wednesday evening for long-service employees of Olin Corp.

The dinner, at the Lewis and Clark Restaurant in East Alton, was for employees completing 25, 30, 35, 40 or 45 years of service with the company during 1972.

The honorees from Granite City were: Durrell Barnett, 2005 Yale Ave.; Robert J. Puskar, 3 Petunia St.; and John Reed, 1820 Courtney Blvd. All are veterans of 30 years of service with the company.

Barnett is maintenance superintendent in Olin's Brass Mill Repair Department. Pus-

kar is employed in the Brass Casting Plant, and Reed in the Brass Group's Cupping Department.

George A. Chandler, president of Olin Corporation's Winchester Group, was the speaker. Chandler formerly was Vice President, Manufacturing, for the Brass Group of the corporation, with offices at East Alton.

It was the sixth annual Milestone Dinner held by the company in honor of its long-service employees. Of the guests of honor, 63 observed 25 years of service with Olin this year; 278 observed 30-year anniversaries; 22 employees were honored for 35 years of service; five for 40 years of service and three for 45 years with the company.

Army Engineers to Expedite Doherty Study

The U. S. Army Corps of Engineers at Washington, D.C. has authorized the St. Louis engineer corps to expedite a study of the flood control problem in the Doherty Slough area of Nameoki Township, Cong. Price's office said the action transfers development of the Doherty Slough drainage improvement project from under the Emergency Flood Control Act to the Madison-St. Clair County Interior Flood Control program (hillside drainage).

A spokesman said the Corps of Engineers determined the Emergency Flood Control Act was not applicable to the Doherty Slough project, for which Governor Richard B. Ogilvie has requested federal funds for a \$4.2 million improvement. Any funds used from the hillside drainage program for the Doherty Slough study will be replaced by transfers from other accounts so that the change in planning will not detract from the interior flood control program, he said.

Several Local Offices To Close for Holiday

Several Quad-City offices will be closed tomorrow in observance of Veterans' Day. The holiday was observed by the federal government Oct. 23, a Monday holiday, but many businesses and organizations chose to observe the traditional Nov. 11 date which this year falls on Saturday.

Closed tomorrow for a three-day weekend will be the Illinois State Employment Service, the Division of Unemployment Compensation and the Work Incentive Program offices, the Granite City Drivers' License Examining Station and the Venice Public Aid office.

The Illinois Power Co. office in Granite City also will be closed tomorrow.

Schools, post offices, banks and savings and loan associations in the Quad-Cities will remain open tomorrow. The savings and loan firms were closed Tuesday for election day.

Madison Ave. Water Lines Under Repair

Repairs to water lines are being made in the 1900 block of Madison Avenue and should be completed by Friday afternoon, according to Dave Brooks, distribution supervisor for the Granite City district of the East St. Louis and Interurban Water Company.

The water company has repaired a 16-inch valve and are replacing two six-inch valves, one of which primarily services the Granite City Steel Co. The repairs will eliminate any icy patches on Madison Avenue that could be caused by a leak.

The work was scheduled this week in conjunction with the hot strip mill shutting down for repairs by the steel company.

Workmen of the Granite City district of the East St. Louis and Interurban Water Co. are repairing water lines in the 1900 block of Madison Ave. Standing in dark coat at center is Henry Hellreich of the utility department of Granite City Steel Co., and in the white coat is Dave Brooks, distribution supervisor for the water company.

William Papa Named Madison Police Sergeant

William Papa, 1804 Fourth St., Madison, a patrolman in the Madison police force since September 1963, was appointed to sergeant's rank by the Madison City Council Tuesday night.

The appointment was made by Mayor Mike Sasyk and confirmed by council members upon recommendation of the Madison Board of Police Commissioners. The board conducted examinations two weeks ago for six police officers aspiring to the post.

Chief of Police Frank Dutko said the appointment makes the fourth sergeant's rank in the department.

A total of 36,039 for providing two fully-equipped police cars to the police department was received by the council from Bueckman Ford Co. of Collinsville.

The offer was referred to the council's Purchasing Committee and Chief of Police Frank Dutko to be checked for compliance with specifications. Two other bidders were Granite City Dodge Co. and B. E. Hohl Co.

Driver Injured As Car Goes Into Ditch

George Chast, 21 of Moorland Drive, was injured when his auto left the pavement and went into a ditch on East Chain of Rocks Road at Lennox Avenue in Mitchell at 1 p.m. Tuesday.

He was taken by ambulance to St. Elizabeth Hospital where he was treated for injuries to the right side of his neck and right hip. X-rays were taken and he was released.

Family in Fire Needs Clothing, Job for Dad

A Granite City family with three young children and an out-of-work father is desperately in need of clothing articles following a fire which swept through their rented mobile home early Monday. The father urgently needs any type of employment.

Mr. and Mrs. Luther Ray and children, Julie, 8, Lori, 7 and Johnny, 2½ years, lost most of their personal possessions, valuable music equipment, furniture and clothing—either outright in the blaze or through smoke and water damage.

"Very little can be salvaged," the father said yesterday, adding that it may be possible to save some of the bedroom furniture.

Ray operated a sanding machine, used in a molding process, at St. Louis Steel Castings on South Broadway, St. Louis, prior to being laid off one month ago. He is willing and able to take any kind of job offered, he stressed.

VHS Junior Class to Present 3-Act Play

By TONI ECK

The Venice High School Junior class will present a three-act farce "Take Your Medicine" at 8 p.m. on Friday, under the auspices of Miss Irene Hackett.

There's not a dull moment nor a serious scene in the entire play which is designed to please all ages. One laughable situation follows another in quick order when a Doctor of Philosophy is mistaken for a medical doctor, Miss Hackett said.

Members of the cast and characters they portray are: Kenny Rankin as Henry Dodson; Jackie Parker, Angela Warren; Danny Scaturro, Dr. William Jackson; Teri Eck, Miss Holt; Melena Eberold, Patricia Pryor; Sharon Mosby; Dorothy Carleton; Linda Mosby; Charlotte Nelson; Bob Schachski; Jack Benson; J. B. Harmon; Jonathan Puckett; Mae Cotton; Cordelia Puckett; Sherry Hackney; Dovie Fink; Jackie Carles; Dottie Blake; Ron Taylor; Hoffendyke; Ronald Brawley; Mother; and Linda Smith, daughter.

Tickets may be obtained in advance from any member of the junior class or purchased at the time of performance.

Park District Starts Junior Bowling Series

The second session will be held Saturday in the Granite City Park District's 13th annual fall and winter bowling program for youngsters, Harold Brown, park superintendent said today.

As in previous years, both boys and girls from the fifth through 12th grades, who reside within the Granite City Park District boundaries, are eligible to participate in weekly sessions at Brunswick Tri-Mor Lanes.

Participants will be placed on teams and will compete against children in their own age level, the park official said. The program is 45 cents per game, with bowling shoes available without charge.

Girls will bow starting at 9 a.m. Saturday, with the boys reporting for the 11 a.m. segment, Brown said. The program will continue each Saturday through late February or early March.

AUTO TIRES PUNCTURED

Donald Hazelwood, 2519 E. 23rd St., reported at 1:45 p.m. Monday that vandals punctured two tires on his 1972 auto parked in front of his home during the night.

K. of C.'s to Hold Benefit Candy Sale

The City Council 1098 of the Knights of Columbus will conduct a benefit "tootsie roll" sale Friday and Saturday in the Granite City business districts.

Salesmen will be at the Belmore Village and Nameoki Village shopping centers Friday evening and all day Saturday. Proceeds will benefit local and state mental, retardation agencies and program, according to Mike Modrusic, chairman. He said it is the first sale of its kind by the local council but is being conducted statewide for the third consecutive year.

Lutheran North to Close Trojan Home Season Friday

The Crusaders of Lutheran North High School in St. Louis will invade the Madison High School football field to battle the Trojans at 2 p.m. Saturday in the season's final home game.

The Crusaders have improved their 3-5-1 record of last season and are now 2-2-1. The Trojans are 2-5 this year.

Lutheran North will take the field with a healthy club the field is without injuries. Reports indicate Gary Manter 5-10, 185 senior halfback is a power runner for the Crusaders and will be hard to stop. At split end Terry Fluri 5-11, 170 senior, is a top pass receiver and safety.

According to Jim Manion, who is in his fourth year as head mentor for the Crusaders, their defense is holding up real well this season. Jeff Case, a defensive end 6-0, 175 senior, will present a threat as a pass rusher, and Mike Campbell, 5-10, 200 senior defensive tackle, has been averaging four unassisted tackles plus about eight assists per game. linebacker Bruce Burchard 5-10, 190 senior will also give the Trojans a hard way to go, according to Manion.

Lutheran North uses a slot T and a full T on offense with a Missouri 76 and a 4-4 defense. "Madison is a lot better than last year," Coach Manion remarked. "They do not have many players but the 11 they put on the field against Francis Howell played a fine ball game."

"I sure hope we don't fumble the ball Saturday," Trojan Coach Al Vonder Harr said. "We played a good game against Boral but we just fumbled the ball too much."

"The players are beginning

to do a good job for Madison and are gaining experience. We are having fewer and fewer penalties called against us, which is a sign they are improving with experience."

"The Crusaders have a good team and are apt to use a Missouri 76 defense with a six-man line and two linebackers inside. The ends will go out wide. This takes some real good linebackers. It is a straight-ahead style of defense and a strong running team can break it up."

"We are going to work real hard in practice in just leading onto the ball. We also need to improve on our kicking game. If we held onto the ball Saturday it should be a real good game."

According to Vonder Harr no major changes are expected in the line up. It is not certain if Jess Stanley and Kevin Ditch will start for the Trojans due to minor injuries during the game last week.

The Trojans' final game will be played 2 p.m. Nov. 17 at O'Fallon.

RECORD SOCCER CROWD. Part of the record crowd of 14,459 fans who watched the soccer game between Southern Illinois University at Edwardsville and St. Louis University Sunday at St. Louis' Busch Stadium. The game ended in a 1-1 deadlock after a double overtime. At right is SIUE's leading scorer, Chris Carezza, who had two goals nullified during the game. No. 6 in striped shirt is the Bills' Bob Matteson, who is attempting to headout the ball to help the St. Louis goalie, Chuck Zorumski, in full-length sweats.

Warriors to Open Gridiron Rivalry With Jeff City Jays

The Granite City High School football Warriors will host the Jefferson City, Mo., Jays at 2 p.m. Friday in a non-conference game.

The Jays are the defending champions of the Central Missouri Conference and were 9-1 overall and 4-0 in conference play last year.

The school has 1,600 students in three grades and Pete Atkins, who has been the Jays head football mentor for 15 years, is fielding 11 returning lettermen this year.

Stan Wallace, quarterback, 5-10, 165 senior, according to Atkins, is the Jays leading passer and runs an option very well. Terry Nienhaber 5-10, 173 senior halfback, is Jeff City's leading rusher and receiver.

The Jays have two tough tacklers the Warriors will need to contend with in Greg Wilson 6-0, 185 junior and Linden Boyd 5-6, 180 senior.

Like the Warriors the Jays use a wishbone offense all the way.

Atkins, who scouted Granite

City at the East St. Louis game, commented: "I have a lot of respect for their team. The Warrior offense is good and so is their defense, but I think we'll give them a run for their money."

"It will be the first meeting of the two schools."

Loss of Halfback
The loss of halfback Dale Williams, who broke his leg in the Cahokia game, will hurt the Warriors in their final two games, Williams is considered as one of the finest teams in the entire state of Missouri. A 6.7 yards per carry, and has scored four touchdowns.

"Although the loss of Williams will definitely hurt we aren't going to sit around and cry about it," Coach Wayne Williams stated. "I am not sure who will take Dale's place. It

will either be a junior named Walt Mitter (5-6, 155) or a sophomore named Paul Muthill (5-7, 164)."

Other Warriors still out of action are Keith Holt, a guard, and Walt Reinhardt, a tackle.

"Our comeback against Cahokia was perhaps the high point of our year," Williams said. However, the coaching staff hopes the thrill of the comeback does not block out the fact in Warrior minds that for three quarters we played very poor football."

"We had scouted Cahokia and knew they had a much tougher team than their record indicated, coupled with the fact that they were excited with their first victory and it was their homecoming."

"Despite our warnings I guess our boys just looked at their record and thought the Commanders would be a push over. However they found out differently almost too late."

Work Out Out
"Although Friday is a non-conference game against Jeff City we will have our work cut out for us. They are well known as one of the finest teams in the entire state of Missouri. A boy grows up in that town with football and they have a tremendous amount of tradition behind them. In addition to one heck of a lot of victories."

"We have pride in it and enjoy winning and when we take the field we can only think about one thing and that is the game at hand."

"Of course everyone realizes that when we play Bellevue West, here on Nov. 17, we are assured, if we win, of a conference tie. However I hope none of the players worry about that game until after they have beaten Jefferson City this Friday."

Cougar Kickers Still First, To Close Season at Akron

For the fifth straight week, Southern Illinois University at Edwardsville maintained its No. 1 position in the Midwest collegiate soccer rankings, and No. 4 in the nation.

The Cougar kickers of Coach Bob Guehrer, gave 7-0-2 after their 1-1 deadlock Sunday against St. Louis University, will wind up the 1972 regular season Saturday in Ohio against the University of Akron Zips.

Second was St. Louis University (No. 8 nationally). The Cougars drew eight first place votes and a 10-point total.

Bills had 32 points. In third place was the University of Missouri, St. Louis, with one first place vote and a total of 74.

Quincy College was fourth (10-2-0 and 70). The other Top 10 were, in order: University of Akron (8-1-1 and 54), University of Wisconsin at Green Bay

(8-2-0 and 45), the University of Indiana (9-1-0 and 45), Cleveland State (7-4-0 and 21), Ohio University (4-2-0 and 15), and Western Illinois University (4-3-3 and 14).

The Cougars have registered victories over UMSL and Quincy College and were tied by Western Illinois and St. Louis University.

SIUE and St. Louis U. expect to receive post-season NCAA tournament bids.

Soccer Warriors in State Tournament Starting Friday

The Granite City High School Warrior soccer team will compete against three other top teams this weekend to determine the first soccer champion in the state's history.

The state tournament will begin at 3 p.m. tomorrow at Hancock Stadium of Illinois State University at Normal with La Grange pitted against New Trier West. Both were sectional tournament champions.

The Warriors will be pitted against St. Louis University, the Chicago Public High Schools Athletic Association champion, in a first-round game at 7 p.m. tomorrow. St. Louis University Technical High School 1-0 yesterday to qualify for the tournament.

The first-round losers will play a third-place game at noon Saturday and the state championship game will follow at 2 p.m.

The Warriors entered the tournament with a record of 19 victories, one loss and two ties. The team has won its last 10 consecutive games since losing to Collinsville there Oct. 11.

Sectional Champs
They earned their berth in the state finals by defeating the Gibault and Assumption here in district play and Jacksonville there in the sectional.

Coach John Sellmeyer yesterday announced his starting lineup for tomorrow's game. Outside players will be Tony Valencia on the left and Harvey Breckner on the right. Wayne Canada and Randy Worthen will play striker positions.

Carl Duke will serve as center halfback with Andy Baugh

and Phil Hill as left and right halfbacks. Center halfback will be Keith Gehling and the wing halfback positions will be filled by Steve Powderly on the left and Ted Geggs on the right.

Tom Clark is scheduled starting goalie with Bill Schnefke in reserve.

No Special Strategy
Sellmeyer said no special strategy is to be used in tomorrow's game. "We met and decided to continue using the same strategy which we have been using and with which we have been winning our games," he commented. He described his team as a "physical" squad and said the number of penalties against the Warriors would be determined by how close the

referees choose to call the game.

Penalties were the prime factor in the team's only loss this season as Collinsville won 4-3 and three of the Cahok goals were on penalty kicks.

scoring so far with 18 goals and 10 assists. Canada is second with 13 goals, one unassisted, and seven assists.

Other high scorers include Dake with nine goals and five assists, Breckner with eight goals, four on penalty kicks, and six assists, Dave Sheridan with 10 goals, three unassisted, and five assists, and Andy Baugh with five goals, two unassisted, and five assists.

Park Sports Award Banquet To Honor 837 Participants
A record 837 players and 4 managers are expected to fill the Granite City High School Cafeteria at 6:15 p.m. Monday, Nov. 20, for the 13th annual Sports Award Banquet of the Granite City Park District.

Presented will be 37 boys baseball awards, 15 basketball awards, nine football awards, 30 tennis awards, 21 women's softball awards, 40 men's softball awards.

Two service awards will also be presented, and the major honor will be the Park District Appreciation Award.

This year there were 3,770 regular players participating in the park district's various athletic programs, composing 237 teams.

Several nationally noted sports figures will be in attendance as special guests at the dinner.

Negotiations Planned

Negotiators of Air Products & Chemical, Inc., and of the striking Steelworkers' Local 6083 are to meet at 10 a.m. tomorrow in St. Louis with Gilbert Kammberg of the U. S. Mediation and Conciliation Service in an attempt to end the nearly five-week-old strike. The two groups have not met since Oct. 25.

Truck Overturns, Driver In Hospital

Calvin K. Davis, 47, of Shipman, was injured when he lost control of a tractor-trailer truck, owned by the Alton Box Board Co. which overturned on the exit ramp of Interstate 270 at 157 at 3:45 a.m. today.

The contents of the truck, which was demolished, spilled over the shoulder. Davis was admitted to St. Elizabeth Hospital with lacerations and contusions to the wrist, shoulders and knees.

Twelve tickets remain for the Granite City Park District's outing to the Barn Dinner theatre at Ellisville, Mo., set for Sunday, Nov. 26.

Cost of the dinner, roundtrip transportation and show is \$8.75 per person. Patrons will see the comedy "Cactus Flower."

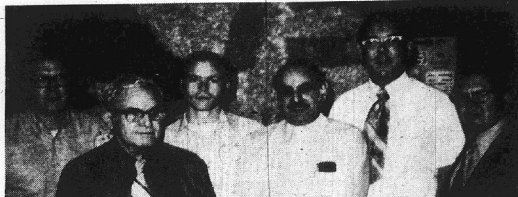

Buses will leave the Wilson Park rink drive at 4:30 p.m. Nov. 26. Reservations will be accepted at the Wilson Park office, or by calling 877-3059.

HOUSE BURGLARIZED

Items valued at several hundred dollars were stolen from the home of Betty Lasky, 411 Lake Drive, Pontoon Beach, during the weekend. The air conditioner was taken from a window and stolen from inside the home were a coffee pot, cookware, a vacuum cleaner, a canister set, a blender and a pants suit.

LAWN CHAIRS STOLEN

Mrs. R. G. Yedder, 2420 Edison Ave., reported at 8:35 p.m. Wednesday that two lawn chairs were stolen from her patio. She said two boys were seen carrying furniture in the alley.

Wine Can Be an Answer Two Autos Collide, One Motorist Injured

By MARY LESTER
Copley News Service
Who among us doesn't have some kind of a weight problem? Struggling to lose pounds, hoping to add a few, or merely maintaining the normal kilos?

Now, how many of us are aware that wine can be an answer to a dieter's prayer? This bit of happy news first stirred my interest some years ago when I read an article in a fashion magazine called "Wine, Dine and Diet." It told how the American Medical Association had done extensive research as to why some people who consistently ate heavy and rich foods were thinner than others with the same eating habits.

Examples used were the people of France and Germany. Why weren't there more fat people in France?

The scientific conclusion was the French drank wine with the meal.

The article then proceeded to furnish a diet which, if followed faithfully for ten days, would guarantee to the normally healthy person a weight loss of a pound a day, but there would be a greater amount of poundage taken off if, at each meal (breakfast optional), four to five ounces of a dry wine was drunk.

The explanation for this delightful, novel way of shedding fat wasn't complete enough for me. I had to send a way for further facts.

The principal seems to be: all alcoholic drinks contain calories. In high proof drinks, such as Scotch, the body absorbs almost all the calories. But with wine the body only assimilates about half of the calorie count.

Furthermore, alcohol drunk before the meal is absorbed by the body shortly after consumption. It is not digested like food, the body cannot store it up and must use it up. If one

drinks a cocktail before a meal, the body will first burn up the alcohol calories, then the food calories. However, when there is food in the stomach, the absorption of the alcohol is slowed down and actually helps to burn up the food.

The result of tests run for me by two chemists show that hard spirits (86-100 proof) contain from 125-140 calories per ounce. But champagne contains 30 calories, dry red wine 25 calories and white wine 22 calories per ounce.

For gaining weight, remember the centuries-old remedy of drinking two-three times daily four ounces of Port or Sherry blended with a raw egg.

Mrs. Juanita Barnes, 43, of 4912 Hill Ave., was injured when her auto and another driven by Steven S. Loftus, 26 Bermuda Lane, collided at 1:35 p.m. Wednesday at Namooki and Pontoon roads. Loftus was charged with a right-of-way violation.

Mrs. Barnes was admitted to St. Elizabeth Hospital with pains to the left ribs and contusions to the knees.

AUTO, TAXI COLLIDE

A taxicab driven by Lloyd L. McKel, 2029 Bryan Ave., and an auto driven by Alvin T. Bourbon, 2672 Edwards St., collided in an accident at 2:40 p.m. Wednesday at Niedringhaus and Madison avenues.

MORE ABOUT Walker

under Illinois House voting, at least one of the three representatives chosen must be a member of the minority party. The attorney general, successful statewide, trailed by only 47,114 to 45,422 in this county.

The statewide results were mixed. Democrats taking the offices of governor, lieutenant governor and secretary of state (the former and the latter both rich in patronage). Republicans had to settle for the U.S. Senate victory and the offices of attorney general and state comptroller.

Gov. Ogilvie also fared poorly in St. Clair County.

East St. Louis Mayor James E. Williams Sr. called Ogilvie's defeat "tragic" and said, "I think my community slapped a good man in the face."

Conceding defeat at 11 a.m. Wednesday, the governor attributed it to passage of a state income tax during his term.

"Right after the tax was introduced, there were surveys that showed we plunged about as low as a person in public office can. But we were coming back, and we almost made it."

Gov. Ogilvie sent Walker a telegram "congratulating you on your election and offering the full cooperation of the administration for an orderly transition."

Walker, who walked the length of Illinois during the primary campaign, had been the underdog against Simon and was given an even chance of defeating Ogilvie. He now is expected to be accorded national stature in the Democratic party, perhaps becoming a contender for higher office.

The governor-elect believes he won through "a long, hard campaign that went directly to the people." He said he will try to work with Ogilvie in the Nov. 26 legislative session in support of the governor's plan for a freeze on property taxes.

Walker concludes that his gubernatorial victory "belongs to the people. They believed Illinois could be made better."

Mr. Walker won despite a strong top-of-the-ticket tide for President Nixon, who captured all states but Massachusetts and the District of Columbia for a 31-to-17 electoral vote victory, sealing the 1936 election when President Franklin D. Roosevelt was re-elected.

Sophia Loren's Career Taking Musical Turn

By DAVE MCINTYRE
Copley News Service

ROME — It is always nice to consider the work you are doing at the moment as the most significant of your life. It's a great morale booster.

Sophia Loren is enjoying such a pleasurable role at the moment, playing the role of Aldonza in the film version of "Man of La Mancha" which is in production at the DeLaurie studios on the outskirts of Rome.

"There is much about this woman that I understand and admire," Miss Loren said during an interview in her dressing suite in the studio's executive building.

"Aldonza has faced much adversity. She has had to fight for every crust of bread. And I know what that is like because that is the way I started out in life."

"She is very close to characters I have played in the past, such as my role in 'Two Women.' She is extremely emotional, but she has an honest and vibrant approach to life."

"Besides that, there is the musical," she added with a throaty chuckle.

Miss Loren said that she has long been interested in doing a musical but that until "Man of La Mancha" arrived on the scene she had not come across one which had a role she could have played.

"Can you imagine me in 'Hello, Dolly' or 'Oklahoma'?" she asked.

"But many friends who were seeing 'Man of La Mancha' on stage kept telling me that the Aldonza role would be perfect for me, and I admit frankly that I became quite interested."

"I even avoided seeing the stage production for fear that

it might influence my feelings about the part.

Finally, two years ago, English producer-director Peter Glenville approached her with an invitation to play the role. When he told her that Peter O'Toole would be portraying Miguel Cervantes and Don Quixote she accepted immediately.

"O'Toole is an actor she admires a great deal, and she has long wanted to do a film with him."

Some niches developed in Glenville's plans for the picture, however, and Arthur Hiller finally took over the production and directing posts.

He was perfectly satisfied with O'Toole and Miss Loren as leads, and they were happy to start the picture with him, so the long wait finally ended.

Has the singing been a challenge to her?

"I am a Neapolitan, you know," she said, "and have been singing since I was a child. Neapolitans enjoy life so much that they always sing."

She had tunes in some of her previous films, it was recalled.

"True," she said, "but I sang only as an amateur. If you can sing in the right key you can get away with it; they have so many tricks with sound these days."

"But 'Man of La Mancha' is different. It is more of a challenge to me for the acting required while singing. I must bring out the essence of the story with the lyrics. That is where the work comes in."

MORE ABOUT County Budget

269; tuberculosis clinic, \$451,241; up \$88,871; Illinois Municipal Retirement Fund, \$50,000, up \$125,000; outside audit fund, \$16,500, up \$500; and supervisor of assessments, \$327,325, up \$28,925.

The general county purpose total includes: Judiciary and court expenses, \$1,281,840; administration and finance, \$1,427,928; health and welfare, \$831,891; elections expenses, \$178,058; land use and environmental control, \$160,492; parks and recreation, \$62,700; sheriff and penal expenses, \$1,394,528; and contingencies, \$264,512.

The budget allows \$210,530 to cover salary increases for employees other than county highway department employees, if funds are available, and is based on recommendations of job classifications and related salaries obtained by the board from R. C. Scheffel & Co. of Alton, consultants.

Gramlich said the committee followed the advice of the board's personnel committee in allowing salary increases to employees considered to be underpaid.

For those under the recommended salary levels, an immediate 1% cost of living increase will take effect on Dec. 1, and other increases would take effect on anniversary dates of employment.

The pay increases would average at 3 1/2%, according to job classification in the various departments as recommended by the personnel committee. Gramlich said, adding that the plan meets the federal wage guidelines.

The plan came under immediate attack.

Increases Challenged
Outgoing Recorder of Deeds James Chapman vehemently claimed that it is unconstitutional for the personnel committee to set salaries, and that it was his own constitutional duty to set the salaries for his office.

County Treasurer George Musso agreed, Edward Voornard of Alton, a finance committee member, maintained that his committee wished to remain within constitutional limits and advised Chapman to confer again with the personnel committee.

Floyd Fisher of the Madison County Nursing Home also objected to the employee-rating-pay plan, elimination of dietician and others he said are required by state law, and the effect of the plan in union negotiations. He asked about the status of the shelter care home in the budget.

Voornard said that though he favors discontinuation of the shelter care facility because of overall costs involved, the majority of the board would disagree with him, and that it was combined with the nursing home budget in an effort to reduce costs.

Cost to County
Gramlich maintained that both operations cost the county \$250,000 per year, while private nursing homes manage to operate at a profit. He also complained that the nursing home is overstaffed and overpaid.

Fisher agreed that it was overstuffed but not overpaid. He said he also would have the board's welfare committee submit a rate increase to the full board applicable to nursing

home patients. The current rate is \$400 per month.

In reviewing the status of county income, Kraynak stressed that \$14 million is at stake on the personal property tax issue. He said personal property is about 30% of the county's assessed valuation of \$1 billion, and that there could be a loss of \$300,000 in general funds and losses in other special tax accounts.

Personal property taxes are being held in escrow and are invested under interest by Musso.

Musso added that the county will lose \$100,000 to \$150,000 on inheritance tax because of changes in state law. He said the county previously received 3%, but it now all goes to the state while the county does the work.

Regarding tax collection rebates, Kraynak noted that \$254,000 for township collectors, and that if the court declares the rebates to be illegal, the payments to the townships also should be illegal and "I would like to get all that back."

Gilbert Kullinger of Collinsville, like Gramlich a committee member and a township supervisor, remarked, "I think the townships will fight that because it then would cost the townships."

Township collectors previously retained a 2% fee to pay expenses and add to township revenue.

He remarked that the legislature provides for the tax, and the county expended funds into organizing a collection department and courts.

Mobile homes will receive \$5,000 personal property exemptions, and most of them in the county are worth less, the chairman said.

Paid Off Vote Machines
Commenting further on the financial situation, Gramlich said that \$750,000 was taken from last year's budget but was used to pay the rest of the amount due on voting machines to eliminate a 15-year investment plan and save \$160,000 in interest.

He said that with increases in salaries and additional employees, much of the increased cost is for retirement and unemployment compensation.

In discussing federal revenue sharing, he said the plan is retroactive to last Jan. 1 and the first check for \$20,000 should be due here on about Dec. 5, with a like amount to be received about Jan. 3 and with 1072 payments to be quarterly.

He said he and two other board members attended a conference on the revenue sharing plan last week in Kansas City where they learned that the funds could not be used for lowering taxes, for highways, for education or for local matching funds on federal grants, but that its use for law enforcement was encouraged.

The chairman said some of the funds could be invested at interest, with federal treasury notes advised by the U. S., and that it must be spent in 24 months with reports to be forwarded to various federal agencies.

Kraynak said that if the county happens to be "doing a good job" financially, it could be penalized as the state would be authorized to transfer some of the funds, once only, to another area where financial need is greater.

The county auditor also noted that law and order continue to constitute the most costly items as budgets for the courts and sheriff's department total \$2,675,000 and comprised about half of the general purpose budget. Gramlich commended county department heads for complying with requests to hold their budgets to a minimum.

He were down 24 million in August," he said, but the departments and Nelson Hagauer, board chairman, concurred.

rally. Sen. Edward Brooke of Massachusetts, the only Negro in the U. S. Senate, won by nearly 2-1 and said he may seek the presidency in 1976.

Another possible presidential candidate is Sen. Charles Percy of Illinois, who won re-election by over a million votes.

With a heavy Democratic turnout in East St. Louis, that party won for all contested St. Clair County offices except that of Edward Whiting (R), who was re-elected as circuit court clerk. Winners for state representative there were Rep. James Krause (D), Rep. Monroe Finn (D) and Mrs. Celeste M. Stiehl (R), who defeated Rep. Edgar Sauerwein (R).

An East St. Louis poll watcher, Rod Maffett, on leave of absence as a deputy sheriff, alleged Tuesday that "the judges aren't checking addresses or if the people are registered. They aren't even asking for identification."

Alabama Gov. George C. Wallace, the leading vote-getter for the presidency in 1972 Democratic primaries, who was paralyzed by a Would-be assassin's bullets, said Tuesday night he intends to play a major role in the reshaping of the Democratic party. "I'm not saying I'll run again for President in 1976, but I won't rule anything out," he commented.

Both Mayor A. J. Cervantes and City Controller John H. Postler filed this week for the Democratic nomination for mayor of St. Louis in 1973.

Bel Canto Ensemble Performs at Schools

The Bel Canto Ensemble performed at Dunbar and Louis Dier School Tuesday morning and at Venice Grade School Tuesday afternoon.

Arrangements for the performances were made by the humanities program of the Madison Public Schools and by the Madison-Venice Fine Arts Committee of the Illinois Arts Council. Mrs. Marguerite Conole is humanities director and Harry Johnson is committee chairman.

Among other programs this week, Mrs. Ingrid Wasserbach, a graduate student at Southern Illinois University at Edwardsville, gave an illustrated lecture on sculptures Monday before Madison High School humanities classes.

Mrs. Linda Dettmeier, graduate assistant in art at SIUE, presented an illustrated lecture on the painting "American West" Monday for the seventh-grade humanities class at Madison Junior High School. The class will attend an exhibition at the St. Louis Art Museum Friday.

Vote Machine Trouble Delays Ballot Count

The use of some paper ballots at a Granite City polling place caused a delay of several hours in completing the tally of votes for the Quad-City area early Wednesday morning.

The returns from Granite City precinct 17, whose polling place was located in the Wilson Park ice skating rink, were the last to be made to the office of County Clerk Elizabeth Hotz several hours after all other election results had been reported. The precinct officials reported about 4 a.m. Wednesday.

Judges at the polling place turned to the use of paper ballots after the voting machine became jammed. Miss Hotz said, about 125 paper ballots were used before the machine was placed back in operation, requiring more time for tabulating returns after the voting ended.

Madison Girl Takes Pills, Cuts Wrist

An 18-year-old Madison girl is reported in fair condition at St. Elizabeth Hospital after she attempted to take her life on two occasions Monday night and Tuesday morning.

Police said she stepped in front of an automobile in Granite City but was not injured. Granite City officers returned her to her home where she reportedly took an overdose of pills and cut a two-inch gash in her right wrist. She was found at 5:15 a.m. Tuesday on her bed at home with a suicide note to her two small children beside her. She was admitted to the hospital.

Democrats Do Well in County But Pres. Nixon, Sen. Percy Gain Edge

By GARY SCHNEIDER
Press-Record Staff Writer

Madison County voters modified their traditionally strong Democratic voting habits Tuesday to turn to the Republicans for three offices — President, Vice-President and U. S. senator.

An unprecedented number of split ballots was cast. From Republican top-of-the-ticket voting, the Madison County victory margins went to Democratic candidates for re-remaining state posts and all county offices.

President Richard M. Nixon and Vice President Spiro T. Agnew won Madison County with 55,353 votes while the Democratic contenders, Sen. George McGovern and Republican Shriver, polled 42,967 votes.

The victory margin in Madison County was even wider for Republican U. S.

Sen. Charles H. Percy as he defeated Democrat Roman Pucinski, 55,907 votes to 39,682.

Democratic gubernatorial candidate Daniel Walker and his lieutenant governor running mate, Neil F. Hartigan, received 39,478 votes to 39,048 for incumbent Gov. Richard B. Ogilvie and the lieutenant governor candidate, James D. Nowlan.

Democrat Walker's 20,430 vote margin and the 16,225 vote edge given to Republican Sen. Percy give an indication of the extent of the cross-over voting Tuesday.

The Democratic trend continued in the county as Thomas G. Lyons led Attorney General William J. Scott, but by only 1,692 votes—47,114 to 45,422.

State Auditor Michael J. Howlett, running for secretary of state, led 54,919 to 38,846 in Tuesday.

Course director is Dr. J. B. Whitten Jr., associate professor in the dental school's department of pathology. He will be assisted by Dr. John Angellio, a dentist and physician who is an assistant professor at the dental school.

The course will be from 9 a.m. to 5 p.m. at the Center for Professional Advancement on the Alton campus. The \$35 fee includes lunch.

Whitten said the course will be given as an informal discussion-seminar with a period for participation in diagnosis of common oral conditions. He said dentists should bring diagnostic material for discussion of active cases which have posed a problem in diagnosis.

State Highway Upgrading To Take Another 5 Years

By RAY SERATI
Copley News Service
Springfield—Illinois has been trying to upgrade some of its highways, but studies show that the work is far from done.

In fact one report for the Department of Transportation and the Illinois Transportation Study Commission shows that it probably will take another five years to get the job done. So plans are now underway to get the program started.

Presently Illinois still has an estimated 5,500 miles that still has the 18-foot wide pavement. This type of highway is considered by traffic experts to be dangerous. In the past few years Illinois has widened several thousand miles of the 18-foot pavement and also widened narrow bridges.

It is estimated that the 5,500 miles yet left to be widened, some 3,000 miles are on the state's primary highway system. That means that the state will receive some federal funds for the widening program.

The costs are shared between the state and federal government on a 50-50 basis. But the remaining mileage is on the unmarked highways. These are the secondary routes that lead from one major highway to another. In this area the state will have to pick up the entire tab.

Meanwhile the state is continuing to push its work on two interstates, both in Southern Illinois. One is Interstate 64, from East St. Louis to Grayville and the other is Interstate 24 from Paducah, Ky. to Marion. Work also is continuing on the Interstate 57, over the Mississippi River at Cairo.

Highway officials feel that it will take some five more years to get the work done on the

widening program based on the present rate of revenue coming into the state. Officials do not want to stretch themselves in putting large sections under contract prior to getting the revenues.

At any rate plans are underway on the widening and resurfacing of the remaining mileage that still is on the 18-foot pavement basis.

State Grants \$17,888 For Police Program

The Illinois Law Enforcement Commission has approved a grant, not to exceed \$17,888, to the City of Granite City for a police community relations program. The City Council was informed Monday night.

The city is to provide matching funds of \$225 cash and \$3,302 in services. The grant, for which the city applied last May 2, will include federal funds of \$16,513 and a state share of \$1,375.

Mayor Donald Partney told the Press-Record that the funds will be used to train police officers in community relations at sessions not to exceed three days.

The grant provides that an officer presently on duty be assigned as a police community relations officer and that an additional officer be hired to replace him as soon as possible. The term of the award is restricted to one year, according to Allen H. Andrews, ILEC executive director. The commission is to designate a starting date to implement the grant.

Walter Young Dies; Lifelong GC Resident

Walter Oliver Young, 60, of 1620 Sycamore Ave., a lifelong resident of Granite City, was pronounced dead upon arrival at St. Elizabeth Hospital at 5:15 p.m. Tuesday.

He was taken from his home by ambulance to the hospital. Mr. Young retired two years ago from Granite City Steel Co. where he was employed as a supervisor.

He is a member of the Eagles Aerie 1126 and Moose Lodge 272. Survivors include his widow, Mrs. Elsie Young; two children, Miss Tammy Young of Granite City and Richard Young of San Jose, Calif.; two sisters, Mrs. Alice Gravett of Granite City and Mrs. Rinhia Mae Bamber of Maryville, Ill.; two brothers, Clarence Young of Peabodias, Ill., and William Young of Mitchell, and three grandchildren.

Funeral arrangements are given in the obituary column.

Two Held in Shooting Of Trooper Kirkpatrick

Two persons were arrested yesterday in connection with the shooting of State Trooper Lester Kirkpatrick of New Athens at 2 a.m. Tuesday outside a Centreville tavern.

Held at the St. Clair County Jail on a charge of attempted murder was Albert Pasley, 18, of Alorton. A juvenile in the case, 15, was held at the St. Clair County Juvenile Detention Home.

State police confiscated a .38 caliber revolver which is undergoing ballistics tests. There may be other arrests, it was reported. The arrests were made following an investigation by state and Centreville police.

Kirkpatrick, who was shot in the chest while off duty, was admitted to St. Elizabeth Hospital, Belleville.

Illinois College Relations Meeting Opens Monday

Speeches by Dr. James B. Holderman, executive director of the Illinois Board of Higher Education, Dr. John S. Rendleman, president of Southern Illinois University at Edwardsville and Alfred Fleishman, senior partner of Fleishman-Hillard, Inc., a St. Louis public relations firm, will highlight the annual meeting of the Illinois College Relations Conference Monday and Tuesday at STU at Edwardsville.

Fleishman will be the keynote speaker, talking on "Sense and Nonsense in Communication," at the opening session at 9 a.m. Monday. Holderman will speak at noon Monday on "Common Market Applications for Public Relations or Public Communication."

The BHE has advocated a "common market" approach to higher education in Illinois which would involve sharing of facilities of both public and private institutions through regional cooperative groups.

Rendleman will speak on "A University President Looks at Public Relations" at the annual banquet at 7 p.m. Monday.

"The Illinois College Relations Conference is composed of pub-

lic relations personnel from public and private universities, colleges and junior colleges in the state. The group meets annually to consider problems of mutual interest and study new techniques in the public relations and communications fields.

More than 40 are expected to attend. M. Joseph Gajiga, director of University News Services at Western Illinois University at Macomb, is president of ICRC.

SUUE to Host Meeting

Southern Illinois University at Edwardsville will host the 1972 meeting, with Lewis and Clark Community College at Godfrey as co-host. All ICRC sessions will be held in the University Center at SUUE. A. R. Howard, director of University News Services at SUUE is conference chairman.

Other Monday program topics will include a management case study developed by Orville Brown, director of community relations at Lewis and Clark Community College.

A discussion on "New Directions in Community Service" will be presented by a panel composed of Norman Greenberg, general manager of WIBV, Belleville; Roger Carroll, assistant director of public information at the University of Illinois, Champaign-Urbana; and Timothy G. Middleton, University News Services, SUUE. The radio panel is scheduled at 1:45 p.m. Monday.

"New Directions in Community Service" will be discussed at 3:15 p.m. Monday by a panel composed of Allen A. Upton, director of alumni and public relations, Bradley University; Mary Nelson, director of public relations, Moraine Valley Community College; and Annette Mulvaney, head of the university information center at SUUE.

MRS. RICHARD H. MUELLER. The former Miss Sharon Dettenmeier, a daughter of Mr. and Mrs. William Dettenmeier of Fairview Heights. Her wedding took place at St. Philip Church in East St. Louis.

Sharon Dettenmeier Wed In Afternoon Ceremony

The wedding of Miss Sharon Dettenmeier and Richard H. Mueller took place at 2 p.m. Nov. 4, at St. Philip Church, East St. Louis, with the Rev. John T. Fournie performing the double ring ceremony.

Parents of the bride are Mr. and Mrs. William R. Dettenmeier, 1710 North 89th St., Fairview Heights. The groom is a son of Mr. and Mrs. Walter Mueller Sr., 7900 Delmonte St., East St. Louis.

Members of the wedding party included Miss Jacqueline Gale, maid of honor, Mrs. Albert Herschbach, a sister of the groom, Mrs. Terry Ware and Miss Brenda Dettenmeier, the bride's sister.

Denise Dettenmeier was the flower girl and Albert Herschbach Jr., ringbearer.

Michael Sullivan was best man and Albert Herschbach Sr., Edwin Link, Terrance Pope, Walter A. Mueller Jr., the groom's brother and Roger Dettenmeier, a brother of the bride, completed the corps of groomsmen and ushers.

A reception was held at Trombley Hall immediately following the ceremony.

After a wedding trip to Springfield, Ill., the newly married couple will reside in Granite City.

The former Miss Dettenmeier is a graduate of St. Teresa Academy and is employed as a bookkeeper at Edgemont Bank and Trust Co.

Her husband was graduated from Assumption High School and attended Bellevue Area Junior College. He works as an accountant at Washington University, Clayton, Mo.

Thanksgiving Baskets Planned by Jayceettes

Jayceettes held a pot luck salad supper in conjunction with their monthly meeting at the Jaycees clubhouse on Poplar Street. The vice-president, Mrs. Mary Thrane, conducted the meeting. Other officers present were Mrs. Pat Aleman, secretary, and Mrs. Cheryl Gann, president.

Mrs. Thrane opened the meeting with the Jayceette creed, a pledge was made to the cystic fibrosis fund, and Mrs. Mary Thrane, ways and means chairman, reported on a bake sale held at Grant's.

The social chairman, Mrs. Linda Weible, reviewed a Halloween party held Oct. 28, and plans were announced for a Nov. 18 progressive dinner. Mrs. Janis Weible is chairman of the event, which will have a Thanksgiving theme.

Mrs. Thrane was elected as chairman for the Thanksgiving basket collection, and Mrs. Cheryl Gann will be in charge of the children's Christmas party, tentatively set for Dec. 17 at the clubhouse.

Mrs. Pat Aleman will be responsible for arrangements for the annual newborn Layette organization presents to the first child born at St. Elizabeth Hospital in 1973.

Announcement was made of the Southwest Regional meeting, Nov. 8 in Breeze, This meeting is for Jaycees and their wives, and the program will include afternoon entertainment and refreshments, with the business meeting set for 6:30 p.m. A special ladies' program will be held and a dance will conclude the meeting.

Hostess for the Nov. 28 meeting will be Mrs. Marlene Ross. Others present were Mrs. Ann Davis and guests, Mrs. Carole Mangiaracino and Mrs. Davis's mother, Mrs. Cooper, who is visiting from Ohio.

Mrs. Evelyn Maxwell Is Honored

A "Last Round-Up" retirement party honoring Mrs. Evelyn Maxwell was given this week by her fellow employees and friends at Granite City Steel Co.

The event was held at Rusty's Restaurant in Edinburg, where decorations conforming to the "Last Round-Up" theme transformed the dining area for the special occasion.

Mrs. Maxwell joined Granite City Steel in June 1955 and has spent the major part of her service with the company in the Sales Department. Remembrance gifts presented to the honored guest included a silverware service for eight and an oven-table-top broiler.

A cowboy motif prevailed with guns in holsters serving as invitations and miniature covered wagons as table favors. Rec-nug cowboys decorated the dining table which was centered with a floral quill.

Serving on the party arrangement committee were Miss Betty Butch and Mrs. Sylvia Winters, co-chairmen; Mrs. Becky Zimmerman, Mrs. Donna Sprinkle, Mrs. Teresa Collins and Mrs. Marge Burkhardt. Mistress of ceremonies was Miss Norma Prengle.

A buffet was served to Mrs. Maxwell, Mrs. Winters, Mrs. Zimmerman, Mrs. Sprinkle, Mrs. Collins, Mrs. Burkhardt, Mrs. Prengle, Mrs. Allen, Mrs. Sherry Black, Mrs. Mildred Clements, Mrs. E. E. Muriel Fossick, Mrs. Nina Mayes, Helen Green, Virginia Guenther, Ruth Hancock, Elsie Hawk, Edith Hendrick, Mildred Hess, Fannie Jennings, Virginia Johnson, Dolores Kieffer, Mardelle Knecht, Louise Lakin, Verna Lengyel, Dorothy Lumberger, Ellen Long, Opal McFarland, Olga McMurphy, Pat Malotki, Mary Jo Pault, Kathy Ray, Ruth Rami, Yvonne Romanic, Gay Rorch, Irene Spillers, Mary Stegle, Ruby Streiber, Ruth Thernberry, Connie Wood, Louise Koester, Pauline Lusch, Pearl Campbell, Elsie Mueller, Florence Riedel, Elsie Walker, Myrtle Zabel and Carol Robb.

80 Share Agape Meal at Celebration

Guests at the World Community Day celebration held during the weekend at Central Christian Church were introduced to an unusual symbolic experience with their participation in a "shared" or "agape" meal, called an Agape meal.

Derived from the Greek language, the Agape meal as mentioned in the New Testament was a social meal or "love feast" to which all contributed and in which all, rich and poor alike, shared equally.

About 80 guests arriving at the Church Women United celebration carried their small portions of food which they planned to share. They also looked forward to sharing their thoughts and aspirations with each other as they participated in the meal.

Emphasis was placed on simple foods that could be eaten with the fingers. Cheese, crackers, carrot sticks, bread, popcorn and fruit were examples of the fare provided by the participants.

The Rev. Dr. L. Jim Anthis, pastor of Central Christian Church, explained the significance of the agape meal and led the group in a call to sharing.

Under the chairmanship of Mrs. William Connolly, the program consisted of readings by Judy Hiltner, Helen Christ, Shirley Jansen, Margaret Minner and Susan Buehler.

A "dream share-in" segment followed, with participants revealing dreams they have nurtured and hope might be fulfilled some day. Sue Bogue, Nan Henderson, Tina Hysaw, Mike Rapoff, Barbara Madison, Marian Miller and Joyce Mitchell were among those sharing their thoughts and hopes with

the guests in this section of the celebration. The musical portion of the program was provided by Mrs. Joseph Owens, organist, and by the New Life Singers Trio, consisting of Vickie Mercer, Larry Smalle and John Grindstaff.

Representing the host church were Volma Gram and Gladys Growcott who welcomed the guests. Registration was conducted by Beth Spengler.

The offering was received by ushers, Arla Ault, Pearlaine Seals, Mary Turner, Ivory Williams and Betty Patch. Donations will be sent to an International Mission Fund, which Church Women United uses to

participate in a ministry all over the world. Also accepted on World Community Day were clothing and blankets for CROP and Church World Service.

Mrs. Fred Rupp is president of Church Women United. Mrs. Leonard Roberts served as coordinator of the "Days of Celebration."

MRS. RICHARD G. ESSINGTON, whose marriage was solemnized at St. Mark's Catholic Church in Venice, she is the former Bernice Elizabeth Koelker, daughter of Mr. and Mrs. Harold Koelker Sr., 207 Hampden St., Venice.

Bernice Koelker Becomes Mrs. Richard Essington

Miss Bernice Elizabeth Koelker, a daughter of Mr. and Mrs. Harold Koelker Sr., 207 Hampden St., Venice, and Richard Glen Essington, son of Mr. and Mrs. John Essington, 215 Granville St., Venice, exchanged wedding vows on the evening of Nov. 3 at St. Mark's Roman Catholic Church in Venice.

Officiating at the 7 o'clock double ring ceremony was the Rev. John O'Connell. Lighting the candles were Loretta Heagy and Kim Koelker, nieces of the bride.

Lois Boyd sang the "Theme from Romeo and Juliet," "Ave Maria," "O Lord I Am Not Worthy" and "On This Day O Beautiful Mother," accompanied by the organ by Susan Wells.

Mr. Koelker escorted his daughter down the aisle and gave her in marriage. For her wedding, the bride chose a white silk peau de soie gown designed with a round neckline accented with pearls and sequins.

The long full sleeves of imported silk organza were enhanced with appliques of beaded lace and the wateau cathedral train, secured at the shoulders with bows of white peau, similarly was appliqued with lace.

She wore a veil of silk illusion, bordered with white lace and trimmed with lace medallions, secured to a silk peau de soie headpiece and she carried a colonial bouquet of white roses, carnations and baby breath.

The groom's attendant was the bride's sister, Mrs. Kenneth Sorenson, a sister of the groom. Flower girls were Marie Schiller and Valerie Koelker, both nieces of the bride.

They were attended in the house of Mrs. Sorenson, a sister of the groom. Flower girls were Marie Schiller and Valerie Koelker, both nieces of the bride.

FACULTY DINNER, OPEN HOUSE, CLASS PARTIES

Approximately 300 guests attended an open house at Nameoki School. Classrooms were open for visitation and students displayed art work. Of special interest was a new learning center at the school: Mrs. Margaret Mulach was in charge there.

Gary Spole was the top salesman of the school in a magazine sale sponsored by the PTA. Mrs. Cheryl Evans' fifth grade class garnered first place. Mrs. Jo Vaughn served as chairman of the fund activity.

The PTA honored the faculty at the annual teacher appreciation dinner. Mrs. Barbara Coleman was in charge of arrangements, assisted by room mother co-chairmen, Mrs. Betty Tester and Mrs. Donna Lane.

Favors were large hand-made ceramic apple pencilholders, inscribed with each teacher's name and the year.

Special guests at the dinner were Supt. B. J. Davis, George Moore of the school board, Donald Kopp, principal, and the Rev. William Fester, pastor of Nameoki United Methodist Church.

Master-of-ceremonies was the PTA president, Mrs. Joyce Tracy.

The program consisted of "A Song of the Seasons" presented by Mrs. Phyllis Brusatti, Mrs. Linda Givens and Mrs. Tracy. Mothers assisting in the classrooms during the dinners were Mesdames Holly Lee, Sandy Sortor, Joann Stirling, Shirley Berry, DaOne Chenault, Phyllis Powell, Katie Park, Miriam Ozanich, Cheryl Pounds, Sonja Barker, Janice Kopp, Carol Barr.

Mesdames Mary Wilkinson, Angie Kefalas, Marlene Forbes, June Branding, Judy Crawford, Judy Hinnerger, Carol Chappell, Ann Stepanek, Charlotte Rupp, Shirley Bushong, Cheryl Humphrey.

Mesdames Betty Hermes, Marilyn Galbraith, Donnie Wilkins, Shirley Milam, Betty Howell, Delores Draper, Gales Williams, Jay LaBrun, Jean Bald and Marian Spole.

The school held its annual costume parade in the gym, and classroom parties were held in the rooms with room mothers in charge of games and refreshments.

The PTA will meet Nov. 21, when the program will be on "Drugs." The executive board is to meet Nov. 14.

Golden Anniversary of Mr. and Mrs. Earl Stout

Mr. and Mrs. Earl Stout, Rural Route One, Box 141, Smithboro, Ill., formerly of Granite City, will observe their 50th wedding anniversary at an open house reception from 1 to 4 p.m. Sunday at Charlie's Restaurant.

Mr. Stout was born in Greenville and resided in Granite City from 1908 until moving to Smithboro in recent years. He and his wife, the former Miss Edith Wilson of Granite City, were married here on Nov. 13, 1922.

The Rev. C. M. O'Guin, pastor of Trinity Tabernacle in Madison, officiated at the wedding of the honored couple a half-century ago and also performed the marriage ceremony for their grandchildren, the former Miss Rose Stout, and her husband, Wayne A. Stages, on Oct. 27, 1972, at the Madison church.

Mr. Stout is the former owner of Stout Sign Shop, previously located on Pontoon Road. He learned the sign painting trade from his father, the late George Stout.

His mother, Mrs. Grace Stout, is residing in a nursing home in Hardin, Ill., and a brother, Philip Stout, lives in Granite City.

The honored couple has three children, Merle Stout of Woodburn, Ill., Mrs. Albert (Grace) Stages of Granite City, and Mrs. Bruce (Betty) Minton of Collinsville. A fourth child, Bobbie Jo Stout, is deceased.

The Stouts also reared two granddaughters from infancy, Mrs. Albert (Mary) Jancow of Granite City and Shirley Brown of St. Louis. They have a total of 13 grandchildren and 14 great-grandchildren.

MR. AND MRS. EARL STOUT of Smithboro, Ill., former residents of Granite City, who will celebrate their golden wedding anniversary at a reception Sunday at Charlie's Restaurant.

VISIT JERUSALEM. Shown in the gardens of the renowned Shepherd Hotel in Jerusalem, from left to right, are Mrs. Gerri Stein and Mrs. Ruth Hannebrink, both of Madison; Mrs. Bertie Hobbs of Granite City; the Rev. Victor DeSha of Hillsview, Ill.; and Mrs. Mitzi Hobbs of St. Louis. They were among the first tourists in recent times to cross the Jordan River from Jordan. The group also visited Rome.

Quad-Cityans Tour Israel, Italy

Mrs. Ruth Hannebrink and Mrs. Gerri Stein, both of Madison, Mrs. Mitzi Hobbs of St. Louis and Mrs. Bertie Hobbs of Granite City, have returned from a 10-day tour of Israel and Rome, Italy.

They were among the first group of tourists to cross the Jordan River from the country of Jordan in recent times. The group of about 25 people spent a night in Amman, the principal city of Jordan with a population of 70,000. Later they crossed the Jordan River and walked through "no man's land."

Many photographs and slides were taken by the tourists who also visited Jerusalem and Rome, Italy, where they viewed a play.

One local tourist almost missed the trip. Mrs. Bertie Hobbs was unable to produce a birth certificate, needed to obtain the official papers to travel abroad.

Despite planning and pleading for four months, she still could not secure a certificate of birth from her native state of Kentucky which failed to keep official birth records prior to 1910.

In desperation, Mrs. Hobbs wrote an appealing but humorous letter to President Richard Nixon seeking his aid and received a telephone call in return from the President's private secretary. She was advised that Mr. Nixon had read the letter and that she would receive a certificate in time to make the journey.

The required document arrived on a Friday, just four days before the tour group was scheduled to leave the United States for the Holy Land, Mrs. Hobbs reported.

YMCA Chess Club Plans Progress

The Tri-City Area YMCA's initial meeting for the purpose of organizing a chess club was successful with 12 players present. Kent D. Dunn of the "Y" staff has reported. A second meeting has been scheduled for today at 6:30 p.m. at the YMCA, 2001 Edison Ave.

At the present time, 35 players have indicated an interest in building the club, Dunn said. Players should bring their boards and chessmen so that all may play, he added.

The club is open to individuals from the third grade and up, both male and female. As the club develops, tournaments, classes and other activities will be planned, it was announced.

Items to be discussed tonight include finalization of days, times, and places of play, organization structure and classification of players. The meeting will be followed by extended play and challenges.

Further details may be obtained by contacting Dunn, at 876-7260.

St. John United Scene of Hoffman-Tolan Nuptials

Miss Maureen Marie Tolan and Fred L. Hoffman were united in marriage Oct. 28 in an evening ceremony at St. John United Church of Christ, 2001 Nameoki Road.

The Rev. Dr. Paul Surbey officiated at the double-ring ceremony at 6 o'clock. Mrs. Irene Barrick presided at the organ for Mrs. Lois Bilbrey as she sang, "For All We Know," "Because," and "The Lord's Prayer."

The bride is a daughter of Mr. and Mrs. John R. Tolan, 3230 Obligate Place, and the groom is a son of Mrs. Viola Hoffman and Clarence Hoffman, both of Granite City.

Given in marriage by her father, the former Miss Tolan, wore an imported white organza gown in a demi-bell silhouette design featuring wide V-neck lace panels extending from the shoulders down the fitted bodice and to just above the hemline and encircling the skirt.

The decorative lace trim was inserted with white satin ribbon, forming a small cup effect at the top of the full sheer sleeves and fashioned the wide cuffs.

A stand-up headpiece of matching lace with insertion ribbon held in place her mantilla veil edged with a tiny lace trim. She carried a colonial bouquet of green ivy sprays, white carnations centered with a ring of ruffled carnations and pom poms encircled with a tulle of Chantilly lace and festooned with long streamers in shades of green, yellow and tangerine.

Miss Janet Kunk, maid of honor, was gown in an apricot

donor gown featuring organza dress. The Empire bodice featured an oval neckline trimmed with a self fabric ruffle and the slightly gathered skirt was created in a floral print. Similar ruffles suffled the long full sheer sleeves, and an avocade ribbon marked the high rise waistline.

Miss Mary Ellen Tolan, a sister of the bride, served as bridesmaid and wore a frock designed exactly as the honor attendant in a yellow organza with a yellow apricot and avocade floral print skirt.

They both wore a large bow to secure a short nose tip veil in colors to match their dresses. Each carried a colonial bouquet of carnations, pom poms and greenery in colors to complement their costumes.

The groom chose his brother, Paul Hoffman, to serve as best man. Jerry McCrehan was the groomsmen and John Charles Tolan, brother of the bride and Paul Prater, seated the guests.

A reception was given in the church fellowship hall with Miss Nancy Valentine of Springfield, Mo., a cousin of the bride, attending the guest book. Later, dancing was enjoyed at Polish Hall in Madison.

A rehearsal dinner for members of the wedding party was given at Charlie's Restaurant with the groom's father, Clarence Hoffman.

The former Miss Tolan is employed as a secretary at Laclede Steel Co. in St. Louis. Mr. Hoffman is a member of the Granite City Police Department. Both are graduates of Granite City High School.

They will reside in Granite City after a wedding trip to Florida.

Open House at Mitchell School

"Your Child's World" is the theme of an open house at Mitchell School tonight when parents are invited to visit the school from 7 o'clock until 8 and inspect their children's classroom work on display.

Refreshments are to be provided by the faculty and served in the gymnasium by the school's room mothers.

A meeting Monday evening of the Mitchell PTA executive board, plans for the open house were reviewed and details were finalized for a "Basketball Car" will set for Friday, Nov. 17 at 6:30 p.m.

Tickets costing 25 cents each, may be purchased in advance from room mothers, or at the door. Mrs. Phyllis Gorrell, wares and means chairman, reported.

The event will feature basketball contests spotlighting fifth and sixth grade teams and a special "Dad's Game." Additionally, a bazaar will be staged, Mrs. Gorrell said.

Booths at the carnival will include various refreshments, a white elephant sale, cake walk, fish pond, "have a balloon" contests and similar activities. Proceeds from the project will be utilized to meet the 1972-73 PTA budget.

Florentine Cuevas, PTA president, urged all parents and students to support the carnival.

Mrs. Peggy Brandon, membership chairman, reported 21 new members have joined the unit, which now totals 98 members.

Arthur Menendez, Mitchell principal, announced the next meeting of the Granite City Area PTA Council will take place Nov. 23 at Nameoki School, with the topic to focus on "Learning Centers."

Mitchell PTA will hold its Dec. 14 meeting in conjunction with musical play, entitled "The Night Before Christmas," to be presented by sixth grade students under the direction of Mrs. Ber Beverlee Williams, music teacher.

Other members of the PTA executive board attending the session were Ted Brown, Diane Hartzell, Pat Gant, Jean Thorny, Mozell Long and Harry Breckner.

Celebration for Steve Saltich

Mr. and Mrs. Steve Saltich Sr., of Smithboro, Ill., celebrated their 35th wedding anniversary at a dinner and reception given during the evening at the Knights of Columbus Hall.

About 120 guests attended the dinner and a dance which followed. The hall was attractively decorated in an autumn theme. The colors of red and coral were used, reflecting the shade of stones appropriate to the 35th anniversary.

A large wedding cake centered the buffet serving table. Children of the honoree, the Saltichs, and Mrs. Steve Saltich Jr., and family, and Mr. and Mrs. Jack Saltich and son, their sons and daughters-in-law, Mr. and Mrs. Jack (Carol) Tritshub and family, their son-in-law and Debbie Saltich, who are still at home.

Rollettes Honor Mrs. Randolph

The birthday of Mrs. Helen Randolph was celebrated at a meeting of the Rollettes Club held Monday night at the home of Mrs. Jeanette Wilson, 2000 Beckwith Ave., Madison.

Those who excelled in the games and were prize winners were Mrs. Connie Tinsley, Mrs. Debbie Bettorf and Mrs. Diane Wilson.

A dessert luncheon was served by the hostess to Mesdames Sharon Jackson, Wanda Sweeney, Edith Wofford, Joyce Walker, Mary Ann Butten and two guests, Mrs. Nellie Nicol and Mrs. Barbara Goldschmidt, and the prize winners.

The next meeting will be in the home of Mrs. Butten, 2019 Beckwith St., Madison.

Golden Agers to Attend Musical

The Golden Age Circle of Kirkpatrick Homes is completing plans to attend "A Funny Thing Happened on the Way to Home" on Wednesday, Nov. 15, according to the president, Lee McClew.

McClew has requested that any member of the group or other Anchorage Homes resident wishing to attend the show, to call him, at 877-5886, or Mrs. Georgia Butler, at 876-1888, for reservations and transportation information.

He also announced the potluck Thanksgiving dinner at Kirkpatrick Homes Recreation Center will be held at 6 p.m., Tuesday, Nov. 14, instead of noon as previously was reported.

MR. AND MRS. ROY GENE MITCHELL Jr. Their marriage was solemnized at St. Mary's Church in Bloomington, Ill. The bride is the former Miss Sandra LeAnn Woth, a daughter of Mr. and Mrs. Lyle Woth of Bloomington.

Players' Musical Comedy Tonight, Friday

Bridget Fry Is Feted at Party

Blue and white balloons and favors were used at a party honoring Bridget Fry, who observed her ninth birthday this week.

The affair was given by her parents, Mr. and Mrs. Jack Fry, at their home, 2645 E. 23rd St. Games were played and favors were awarded to all. Miss Donna Jacko received a special prize.

After the honoree opened her gifts, refreshments were served by the hostess to Sherry Perryman, Raymond E. Jones, Michelle Wright, Donna Jacko, Mickey Jo Thompson and Linda Aldridge.

Later in the day, Bridget was honored at a family gathering. Among the guests were the honoree's grandmothers, Mrs. Gladys Selph and Mrs. Gladys Phelps, and Mr. and Mrs. Larry Carter, Larry Carter Jr., Michelle Carter and Wayne, Richard and Jacqueline Fry.

Halloween Party At Phelps Home

Stephen and Timothy Phelps, 3307 Franklin Ave., were hosts last week at a Halloween party given in the basement of their home. The area was decorated with corn stalks, pumpkins, spiders and skeletons.

Guests came in costume and were awarded prizes. The most original award went to Larry Dorich; the funniest to Becky Ardison, and the prettiest to Tana Simmons.

Prize winners at games were Christopher Griffin, Kevin Sheel, Jeff Phelps, Becky Ardison and Kathy Broder.

Others present were Sue Huebner, Joey and Lori LeMaster, Mrs. Glynnes Ardison, Clyde and Pete Ardison, Dale Phelps and son, Jeff. Mrs. Charles Simmons and children, Tim, Terry and Tana, Shelia, Kevin and David Sherlock, the parents of the youthful hosts, Mr. and Mrs. Gary Phelps.

PRE-HOLIDAY PLANS BY THEAT THETA SOCIETY

Mrs. Julie Gates, 2140 Harrison, was hostess to Theta Theta to plan pre-holiday activities. Mrs. Barbara Dickerson, president, was in charge and Mrs. Pat Howard, ways and means chairman, reported on a candy sale.

Mrs. Mary Baker, service chairman, told of plans to prepare a non-refundable gift basket for a local family.

Mrs. Sheri Best, City Sorority Council delegate, reported on a Valentine dance which will be open to the public. Mrs. Best and Mrs. Julie Gates will be in charge of publicity for the event.

Mrs. Best reminded members of a free lecture on "Women's Liberation," being sponsored by the Granite City City Council of Beta Sigma Phi. The program will feature Dr. Runkle of SIUE and will take place in the Lovjoy Library auditorium there.

Mrs. Donna Sprinkle reported on a Christmas outing Dec. 20, and plans were discussed for a trip to the Pleasant Rest Nursing Home, Collinsville.

Mrs. Baker introduced Richard Allen, a local attorney, who spoke on "Wills and Women." The Nov. 15 meeting will be at the home of Mrs. Ellen Cain, 2428 Angela Drive. The hostess served refreshments to those

The hilarious spoof "A Funny Thing Happened on the Way to the Forum" will make its debut at 8:15 tonight at the Polish Hall on Greenwood Street, Madison, featuring an all-star cast of performers from the East Bank Players.

Exotic costumes against colorful background settings typify the zany musical comedy which is set in ancient Roman times to the beat of a pure "Laugh-In" tempo. Tickets, costing \$2 each, may be obtained at the door immediately before showtime, or purchased in advance from several area business firms.

Repeat performances will be staged next Thursday and Friday at 8:15 p.m. at the same Madison hall.

Broad Comedy
The broad comedy with plenty of laughs concerns the zany connivings of a certain slave, Pseudolus, to achieve his freedom. Hero, a wealthy young Roman, falls in love with a courtesan from the "house" next door and offers Pseudolus his freedom if he can obtain the girl, Philia, for him.

The situation becomes complicated when Hero's father, Senex, takes a fancy to the girl himself and a Roman warrior, Miles Gloriosus, arrives to claim his promised property—the same demure slave girl, Philia.

Musical numbers include "Comedy Tonight," "Love I Hear," "Impossible," "Free,"

"Everybody Ought to Have a Maid," and "Lovely," among others.

Principal Roles

Principal roles are played by Amerik Kachigian—Pseudolus, slave to Hero; Stanley Coleman—Senex, a citizen of Rome; Norma Mendoza-Domina, his wife; Kevin Baugh—Hero, their son; John Payne—Hysterium, slave to Senex and Domina; Jim Fensterman—Marcus Lycus, a dealer in courtesans.

Mary Ann Caffee—Philia; Connie Becerra—Tintinabula; Dave Van Metre and Glenn Hall—The Proteans; Peggy Essenpreis—Panacea; Donna Vail and Debby Blair—The Geminis; Angie Skerle—Vibronia; Dan Wilkins—Eronius; and Mike Tharp—Miles Gloriosus, a warrior.

"A Funny Thing Happened on the Way to the Forum" was taken from a book by Larry Gelbart and Bert Shevelove, with music and lyrics by Stephen Sondheim. The Broadway show won the Tony award for best musical of the year in 1962-63.

Tickets may be secured from Mendoza Sporting Goods 2740 Madison Ave., the House of Stanley 2034 Grand Ave., and the Polish Hall.

Miss Pat Milster is directing the production, with Mrs. Diane (Nocheff) Ripper as choreographer. Jack Butterfield is accompanist for the musical.

YOUNG LOVERS. Kevin Baugh as Hero and Mary Ann Caffee as Philia. Their romantic entanglements spurred on by a freedom-craving slave, Pseudolus (Amerik Kachigian) provide the mythical plot of "A Funny Thing Happened on the Way to the Forum." The musical will be staged tonight and tomorrow evening at 8:15 at the Polish Hall on Greenwood Street, Madison. Tickets may be obtained at the door. Repeat performances will be presented next Thursday and Friday nights.

Charles Ehlers Mark 50th Year of Marriage

A surprise dinner party was arranged this week to celebrate the 50th wedding anniversary of Mr. and Mrs. Charles Ehler, 2704 Nameoki Road.

The Ehlers were married in Granite City on Nov. 8, 1922 and have resided here their entire married life. Mr. Ehler was a custodian at old Logan School until he retired in November 1967.

The dinner table was decorated with a wedding cake, flowers and tapers in keeping with the occasion. A television set was presented

to the honorees by the group. Arrangements for the party were made by Mr. and Mrs. William Ehler.

Those in attendance were sisters and brothers of both Mr. and Mrs. Ehler, including Mrs. Minnie Rogers from Lemay, Mo. Mr. and Mrs. Wm. Ehler of Crestwood, Mo., and Mr. and Mrs. Frank Ehler, Mr. and Mrs. George Ehler, Mr. and Mrs. Toland Stromlund, Mr. and Mrs. Morris Berger, Mr. and Mrs. Ward Wood and Mr. and Mrs. Estes Dickey, all of Granite City.

ROCA'S CHOICE. Greg Hutchings (left), a scholastic honor student at Granite City High School, and an active campaigner for Senator George McGovern in Tuesday's election, is congratulated on winning the 'ROCA Teen of the Month' award for October by Mike Fry, ROCA project chairman.

Greg Hutchings Named ROCA Teen

Greg Hutchings, a senior year student at Granite City High School, has been selected "October Teen of the Month" by the ROCA Young Men's Club.

At high school, the youth serves as president of the National Honor Society, as Student Council treasurer and also holds membership in the Social Studies Club.

Hutchings is also a member of the high school's Curriculum Committee, a group whose purpose is designed to improve the curriculum and recommend additional new courses of study.

Hutchings was named the October award recipient by Mike Fry, ROCA project chairman.

At a meeting of the local club, seven new members were voted into the organization. They are Paul Mooshegian, Woody Hallbrook, Craig Bailey, Alan Miller and Tom McRaven, sophomores; and Bill Skirball and Jim Schart, juniors.

Plans were completed to hold a benefit rummage sale from 1 p.m. to 5 p.m. Sunday, at the Nameoki Recreation Center. A.m.s. and Franklin avenues. The public is invited to attend.

Maryville Black Cat Barbecue

Maryville School PTA will host its annual Black Cat Barbecue in the school cafeteria from 4 to 8 p.m. Friday, according to the general chairman, Mrs. Pat Abbott.

A carnival atmosphere will be provided in the halls with a spookhouse, games and decorated booths.

Plans for the fund-raising project will include barbecue sandwich, potato chips, pumpkin pie, coffee or orange juice at 25 cents for both adults and children. Carry-out orders also will be available. Tickets may be purchased at the door or in advance from any PTA member.

Plans for the annual event were finalized at an earlier meeting of the PTA unit. During the business session it was announced all teachers at the school responded to the membership drive for 100% participation by the faculty.

Past Matrons Plan Party
Mrs. Ida Cariss, 2932 24th St., was hostess to the Past Matrons Club of Granite Chapter 650, Order of Eastern Star, Monday night, in her home.

A business meeting was conducted by Mrs. Mary Bibrey and plans were finalized for a Christmas party to be held Dec. 4 at the Round Table Restaurant in Collinsville.

The remainder of the evening was spent playing games, with prizes awarded to Mrs. Bess Henley, Mrs. Sadie Jones and Mrs. Florence Spahr.

Others attending were Mesdames Hulda Griffith, Virginia John, Mary Ellen Lewis, Arlene Fox and two guests, Mrs. Rachel-Larson, associate matron and Mrs. Betty McClintock, conductress, both of Granite Chapter 650.

Ill. Art Association Cites Aiassi

Eugene L. Aiassi, administrative consultant of art education in the Granite City School District, was honored last week with special recognition and citation plaque by the Illinois Art Education Association.

The presentation took place at the state association's annual convention at the St. Nicholas Hotel in Springfield, and marked the local educator's 25 years of faithful service to the association and its 1,000 art education members in Illinois.

Aiassi is past president of the Illinois Art Education Association and has served many years on the state council. At the present time, he holds the appointment of Mid-Western Building Fund representative for the National Art Education Association.

The plaque was presented at the convention dinner by Dr. Ray Abrahamson, professor of Art Education at Southern Illinois University, Carbondale, who is current president of the state association. Several hundred people attended the banquet held in the Grand Ballroom of the St. Nicholas Hotel. The Illinois Art Education Association is the second largest association of its type in the United States, exceeded only by its nationally affiliated group in New York.

Fatima Circle Plans Events

A "Crusade of Prayer" for Pope Paul VI will be extended until 1973, according to a letter from Supreme Regent Mrs. Marie Heyer, which was read to Our Lady of Fatima Circle, Daughters of Isabella, last week.

Mrs. Peggy Cmkovich, regent, presided at the meeting held at the Knights of Columbus hall. Mrs. Virginia Sever gave the opening prayer.

Plans for the 1974 national convention of the Daughters of Isabella to be held in Boston, Mass., next August were discussed and a report was given on a visit made to the Loretta Home in Alton by Mrs. Cmkovich and Miss Dorothy Hoedbeck.

Birthday recognition was accorded to Berdell Goeller, Mrs. Cmkovich, Mrs. Olga Varley and Mrs. Cecelia Spinks.

The annual Christmas party will be held at 8:30 p.m., Dec. 6, in the Officers Club at the Granite City Army Installation. Reservations are to be made no later than Wednesday with Mrs. Margie Greenwald, chairman. A gift exchange will take place.

Members were reminded to bring canned goods to the party. The items will be used to provide holiday baskets for needy families in parishes represented in the Daughters of Isabella area.

Mrs. Goeller, chairman of the hostess committee, was assisted in serving refreshments by Mesdames Olga Varley, Clara Hoedbeck, Berdine Asperger, Mary Murgic, Lucy Lucio, Ann Triang, Marie Ropac and Veronica Patrick.

Closing prayer was offered by Mrs. Sever.

Debbie Robinson Shower Honoree

Miss Debbie Robinson, who will become the bride of Bruce David on Nov. 25 at St. Elizabeth Church, was guest of honor at a bridal shower given this week at the Nameoki Presbyterian Church.

The church hall was decorated in cranberry and white, with fall floral arrangements on the tables. The guests were greeted by the hostesses, Miss Joyce Johnessee, Miss Kathleen David and Mrs. Delores Dortch. Games were played, with several prizes awarded, followed by the honoree opening her gifts. Mrs. James Johnessee and Mrs. Larry Johnessee arranged the buffet table and served refreshments to the guests.

Among those present were Mesdames Janice Bruder, Sara Down, Catherine Bruder, Barbara Hodges, Irene Filter, Elvera Walch, Gurnet Honerkamp, Mildred Lewis, Nora Copeland, Anna Buehrer, Jackie Wadlow.

Marie Schoeber, Shirley Copeland, Dolores Robinson, Helen Dooley, Mary Schmittling, Vera Friedel, Hulda Klug, Verna Klug, Juanita Klug, Arma Giesl, Marian Hackethal.

Lena Garabito, Carol Hancock, Sophia Kraus, Dolores Rozycki, Sharon McGovern, Donna Kosrecki, Chris Warnecke, Dorothy Loerch, Billie Young, Donna Werner, Mildred Brown and Emily David.

Misses Young, O.K. Chong, Helen Walch, Darlene Johnessee, Rebecca Copeland, Keri Sue Keith, Jacques Bostman, Lynn Walch, Darla McGarvey, Ruth Pfaltz, Debbie Friedel, Judy Klug, Donna Hackethal, Karen Hackethal, Rhonda Garofoli, Juanita Loerch, Beth Ann Warnecke and Emily Warnecke.

WOMEN'S FELLOWSHIP DISCUSSES EVENTS

The November general meeting of the Christian Women's Fellowship of Central Christian Church was held in the Terrace Room of the church, presided over by the president, Mrs. Lena Seitzer. Reports were received concerning the recent cream social and mini-bazaar.

Mrs. Dorothea Rivenburgh told the group of the blood bank program available through Church Women United. Central Christian is to be the host church for World Community Day for Church Women United.

The lesson, "Interdependence and the Elective Process" was given by Mrs. Myra Parrish, followed by the worship devotion by Mrs. Mary Lee Lorton. Group II of the November hostesses served refreshments.

500 Tested in 'Save Our Sight' Project

More than 500 persons took advantage of the free eye tests given during the weekend in the "Save Our Sight Eye Screening Program" conducted at Coolidge Junior High School.

TESTING VISION. Charles A. Findley, 319 Wilson Park Lane, was among more than 500 persons tested during the weekend's 'Save Our Sight' screening program, conducted without charge for area residents regardless of age. An unidentified volunteer aids the participant.

Among those screened about 50% were found to have some problem with their eyes, according to Joe Palovich and Darrell Weible, program coordinators for the Granite City

Kiwanis Club and the Granite City Jaycees, the sponsoring organizations.

Persons of all ages, ranging from pre-schoolers to senior citizens, were tested. Those found to have eye problems were advised to see the doctor of their choice for further examinations and corrective treatment.

The overall service project was under the general direction of Fred Marvin, executive director of the Vision Conservation Institute. Assisting him was his wife, Mrs. Mae Marvin.

Volunteer Doctors

Locally, Dr. Leo A. Roman acted as general consultant and organized the volunteer professional staff, consisting of Dr. Louis Gemoules and Dr. Edward Clark, both of Edwardsville, and Dr. Ronald Nelson of Granite City. All are members of the Southwestern Illinois Ophthalmic Society.

Tests were made for near and far acuity, muscle balance or eye teaming, hyperopia, stereopsis, near accommodation, color perception, field of vision and glaucoma eye pressure.

Volunteers from the two men's service clubs, together with several wives and friends of club members, assisted in setting up the testing equipment, maintaining records and

helping the participants to understand vision screening techniques.

Workers in Program
Kiwanis members who volunteered their services included Walter Rozycki, Pete Jellen, Sam Stookey, Al Gross, Herbert Schannott, Marvin Barnes, Wilhelm Verschuyl, club president, and Palovich.

Jaycees participating were Bill Weible, Guy Cooper, Owen Ross, Dave Partney, Earl Warrnhoff, Wayne Worthen and Darrell Weible.

Other volunteer workers included David Uherick, Nora Oley, Helen Toudas, Tina Verscheyl, Lucille Schannott, Phyllis Gillie, John Verschuyl, Debbie Burns, Nancy Dietrich, Vee Thorne, Pam Dietrich, Mrs. Jean Uherick, a member of Dr. Roman's staff, and Boy Scouts from Troop 16, headed by Scoutmaster Jack Yeiser.

Area service organizations interested in sponsoring an eye screening program or viewing an "Eye Exhibit Vision Conservation Program" at a club meeting are invited to contact Fred Marvin, at the Vision Conservation Institute, 1923 Elmore Road, Downers Grove, Ill., 60515.

SIGHT SCREENING PROGRAM at Coolidge Junior High School drew over 500 area residents, including father and son, Jim and Chris Reeves, at right. Walter Rozycki of the Granite City Kiwanis Club, left, explains procedures prior to tests being made by volunteer eye doctors. The free "Save Our Sight" project was co-sponsored by the Kiwanians and the Granite City Jaycees. Joe Palovich and Darrell Weible coordinated the program for the two men's service organizations.

BAPTIST YOUTH RALLY

ATTRACTS 200 PEOPLE

More than 200 young People attended the Madison County Baptist Associational Youth

Council rally held at the First Baptist Church in Granite City during the weekend.

Emcee for the program was Bill Young and the guest speaker was Mike Keepler from Eastern Illinois University. Special music was provided by Dave Wilch from St. Louis.

Mr. and Mrs. Bill Ellsworth serve as associational youth directors.

Chandelier Ceiling suspended from Integrid's hidden grid

We're having a ceiling clinic to introduce a new, easier way to install Chandelier Ceilings—using the Integrid system by Armstrong. You are invited to come, without obligation to buy, and see a demonstration, showing step by step how to do it. Suspended below obstructions or tight to your old ceiling, Integrid solves all your ceiling problems beautifully, because you can't see its metal grid. And since the big 1'x4' Chandelier tiles have no bevels, seams virtually disappear, creating a continuous wall-to-wall pattern.

Comment and Analysis

Nov. 9, 1972

Voters Show Confidence in President and in Many Democrats

The 1972 general election has been described as unusual throughout the campaign. It fully lived up to that expectation. Early returns showed President Richard M. Nixon winning re-election by landslide proportions but his party, the Republicans, gaining only 12 seats in Congress, suffering a net loss of two U.S. Senate seats and seeing its 20-30 deficit in governorships drop to 19-21.

What the voters seemed to be saying was that while they trusted President Nixon with the reins of government far more than his opponents, they wanted the added assurance of a "check and balance" on his programs by continuing the present Democratic control of Capitol Hill and of most of the states.

While a case could be made against the logic of this approach, voters time and again have proven themselves collectively to be wiser than might be immediately apparent.

Certainly, voters deserve commendation for their willingness to "split the ticket" and to support specific candidates rather than a single party. This growing trend will serve to encourage both major parties to "put their foot forward" for every office, rather than relying on cat-tails from the top of the ballot.

Public Accepts Walker Plan to Expand Services, Limit Taxes

Election of Democrat Daniel Walker, the "walking candidate," as governor of Illinois unavoidably creates mixed feelings. Quad-Cityans with him well in his past responsibility, but also recognizing that defeated Governor Richard B. Ogilvie served exceedingly well in that office.

In campaign appearances shortly before the election, the governor said the chief issue was "my good record versus his good looks." There was a lot of truth in that, but Mr. Walker, of course, has much more to offer than image and charisma.

He obviously has mastered the art of communicating with the citizenry, which in itself is a considerable advantage for a public official. And Mr. Walker's experience in business, in the field of law and in appointive positions

Geography as Well as Party is Factor in County Voting

That this community and county are strongly Democratic was shown Tuesday, including the sweep of five Madison County offices by that party.

The Democratic tide even defeated popular Coroner Robert Thomas, who ran well ahead of the main Republican ticket and led in the County Clerk's race.

President Nixon trailed by less than a thousand votes here and won Madison

'WHEN ARE YOU GETTING OFF WELFARE?'

No Missile Base, But Russia Still Dominates Cuba

Copley News Service
After the Cuban missile crisis that erupted 10 years ago, the Soviet Union made no further attempt to establish a strategic weapons base in the Western Hemisphere.

Nikita Khrushchev got his fingers burned by the determination of the United States to keep Soviet missiles out of Cuba.

Advancing technology has had much to do with the key-note nature of Russian military activity in Cuba in the past decade.

Today, missile submarines cruising submerged off our coast can target the same U.S. cities that were threatened by Soviet missile emplacements, discovered in Cuba in 1962.

Nevertheless, the Russians are continuing to invest in their important role in the Caribbean and in the career of Cuba's fulminating Communist dictator, Fidel Castro.

The attempt to make Cuba a western showplace of Marxist revolution has cost the Russians an estimated \$2 billion in economic aid, plus an untold amount of military assistance.

The disastrous sugar harvest of 1970 has increased Cuban dependence on Moscow.

The recent decision to make Cuba a member of COMECON, the Soviet-directed Council for Mutual Economic Assistance, indicates the Kremlin wants to spread the burden of Cuban support among its Eastern European satellite states.

With or without missile bases, Cuba obviously is worth every ruble it has cost the Russians and all the strain of trying to make the erratic Castro a socialist hero.

The harbor at Cienfuegos now provides a facility for Soviet submarine tenders, and only the future can tell what role it may eventually play in establishing a Soviet naval presence in the Caribbean.

Havana also remains the principal channel for support of Communist insurgencies elsewhere in Latin America.

The United States has made clear it is both Castro's policy of "exporting" revolution and his willingness to let Cuba be exploited by the Soviet

military that stand behind the U.S. policy of isolation toward Cuba.

Some members of the Organization of American States are resuming diplomatic relations with Havana.

Arguments are heard that isolation is only forcing Cuba deeper into the embrace of the Russians.

However, who is hanging on the hardest in that embrace? The logic of history and geography would dictate that the best interests of the Cuban people can be served if their country were to resume responsible policies which would lead to ties with its hemisphere neighbors.

The pronouncements of Castro are studied for signs that he may be willing to listen to his hostile policies to bring that about.

Cuban gestures, in any case, are only half of the problem.

The greater question is: If Cuba should one day decide to let go of the Russian bear, would the bear be willing to let go of Cuba?

Big Growth in Jobs Expected from Revenue Sharing

**By JAMES D. HODGSON
U.S. Secretary of Labor**

The General Sharing Bill just signed into law by President Nixon will well generate about a half-million jobs per year over the next five years.

This estimate is independent of the current growth rate in the economy, which has developed 2.7 million new jobs in the last 13 months.

The enormous job-creating effect of this revenue sharing is not well understood.

From 1960 to 1969, 80% of state and local government income is spent in employment centers. Since a heavy demand exists for additional municipal, county and state services, we can anticipate a heavy use of revenue sharing money for more services.

Provision for more services means the creation of thousands of new jobs. These jobs will be useful, meaningful jobs — not "make-work" employment.

Jobs will be generated not only in direct state and local employment but also in indirectly that directly or indirectly provide services to these governments.

As a rule of thumb, one can roughly expect to derive 100,000 jobs per billion dollars of state and local government purchases of goods and services, including wages and salaries of the own employees.

Experience alone will provide a clear-cut answer on the full extent of job benefit from the program.

With the enactment of this bill, the Federal Treasury

in the first full year will distribute \$2.3 billion to state governments, cities, counties and towns.

That sum will grow each year with increased state effort to a five-year total of \$30.1 billion.

President Nixon's inspiration back of general revenue sharing grew not only from the need for job development but from the broader philosophy of making our system more effective and responsive by:

1. Moving money and power closer to the people.
2. Eliminating red tape and duplication of programs.
3. Combining resources and responsibility at the right level of government.

In sum, all are in a state of economic growth—solid, healthy growth.

And heavily burdened state through new jobs.

Access to Busy Public Safety Airwaves Becoming Matter of Life and Death in Many Areas

**By EDWARD NEILAN
Copley News Service**

Overcrowded police radio bands are becoming a matter of life and death in many parts of the country.

In a Chicago suburb recently, Police Patrolman Anthony Raymond was making a radio description of a suspicious car when his message was "jammed" by airway traffic overload.

Raymond was abducted by unknown persons — perhaps occupants of the car he was trying to describe by radio when he was cut off—and there were no clues.

Patrolman Raymond's plight was one visible consequence of a daily battle across the nation for access to public safety airwaves.

Jammed police radio frequencies, saturated by more calls than can be handled, pose a growing threat to public safety and to the lives of police officers.

According to the Federal Communications Commission, conditions in and around New York City are as bad as the Greater Chicago area.

Similarly, Los Angeles and its environs have "very tight" communications problems.

The same is true, the FCC says, for Boston and Philadelphia.

In Greater Chicago, as many as 37 suburban commu-

nities use a single police communications frequency.

The result is that urgent communications are often "captured" and knocked off the air, sometimes by another police agency unaware that someone else is already transmitting.

The situation is similar in major cities where, in the story of years ago when a Mrs. Brown, trying to phone the local fire department, reported that her neighbors to give up the party line; and the house burned down.

Police in many areas are finding that they sometimes cannot get as much as 10 seconds of free air time on their two-way "party line" radios, especially on Friday and Saturday evenings when the number of incidents increases.

This communications "black-out" minimizes the effectiveness of so-called modern crime-fighting equipment.

The FCC explains that there is no fixed amount of air space which can be allocated for private dispatch communications.

It has been trying to remedy the logjam in the police and public safety area by assigning unlicensed ultra-high frequency television channels for land mobile radio use.

So far, seven of these chan-

nels in the lower number range have been set aside for this purpose. Others are still under consideration at higher UHF frequencies.

But police are relying to a far greater degree than ever before on radio equipment.

Virtually every foot patrolman in major cities now has a walkie-talkie.

Motor scooter patrols, horse patrols and other units which previously relied on police call boxes or other forms of communication now depend on two-way radios.

But in order to make these modern communications effective, suburban communities ought to have clear channels for the emergency calls to get through.

"Otherwise," says William D. C. Police Lieutenant Walter Schroeder, "We might as well go back to the 30-cent whistles for an officer to use to summon help."

The FCC has suggested that despite narrow channel allocations, suburban communities ought to share a common radio hookup which would allow for better monitoring of the air and assure that all calls eventually get through.

Some could be kept in a "stand-by" mode temporarily if a single operator were monitoring all calls. Studies are under way in the Chicago area to provide some sort of pooling.

'No Time for Waiting Game When Autumn Turns Leaves to Flame ...'

Shortening days and cooler nights, not necessarily frosts, are credited with bringing out the brilliant leaf colors which brighter urban and rural areas of the Quad-Cities and Midwestern environs each fall.

Why this comes about is explained in a folder passed along by Burl Ashley through Albert Meyer of the SIU News Service.

Mr. Ashley is U.S. Forest Service timber management field specialist in the State and Private Forestry Offices at Carbondale.

Colors begin to replace green in leaves as daylight hours shorten and night time temperatures cool down into the middle or low 40s.

The yellow or orange carotenoids that account for the color really are in the leaves all the time.

But they are masked by the green of the chlorophyll that is busy through the long, warm spring and summer days. The task of chlorophyll is to manufacture plant food for plant growth from carbon dioxide, water and nutrients from the soil.

The food manufacturing slows down or stops when the daylight hours shorten in the fall and night time temperatures fall.

The chlorophyll breaks down and green colors disappear, making the yellow and orange colors visible.

At the same time, other chemical changes may take place in the leaves, causing other pigments to form.

Leaves on some trees never really show bright colors but just turn dull brown from cell death and decay.

Colors may vary from year to year, depending on a combination of weather conditions.

Coloring may be less brilliant in warm, cloudy and rainy fall weather because small amounts of sugar form in the leaves and it may move out during warm sunny days, leaving less available for forming color pigments.

GARBAGE COLLECTION IS UNSATISFACTORY

To the Editor:

We taxpayers citizens pay \$3 per month for a garbage collector or have to pay to dump our own garbage at the city dump. Yet, if we put it in a barrel, the men who pick it up leave it scattered on the ground.

And if it's put in a plastic bag, the dogs in the area rear it open and scatter it.

And local governments are about to enjoy a measure of relief and a greater sense of independence in working their own way out of financial bind, and heading in the direction each chooses to go.

Because of this shared revenue, all communities will gain through improved services and thousands of workers will gain jobs.

And heavily burdened state through new jobs.

Reminder of 'One Indivisible Nation—Under God'

**By CLAIRE COX
Copley News Service**

President Nixon is so gratified by the success of the White House worship services he introduced in his first days in office that he hopes future presidents will make them a permanent institution.

"I think they mean a great deal to me," he said. "I know they do to me."

Mr. Nixon reviewed the services, held in the East Room of the White House during his first year, and decided to continue them as long as he is President, regardless of what his successors might do.

He chose as his forum to defend and praise the innovation, a volume of "White House sermons" published by Harper & Row.

In a signed introduction, Mr. Nixon said he started the practice out of a desire to set an example for his fellow Americans, out of a wish for privacy, and to carry out the words of his inaugural address in which he said that "in a crisis of the spirit, we need an answer of the spirit."

Many were critical when he started the practice of having Sunday services in the East Room whenever possible, with his friend the evangelist Billy Graham as the first White House "preacher."

His opponents said he was violating the principle of separation of church and state and was making the services too exclusive.

Mr. Nixon, who has had little to say to his critics on this topic until now, begins his published remarks with the obser-

vation that he regarded the objections as inevitable.

"Some persons have said that it was wrong in holding religious services in a hall or room which was 'not consecrated wholly to the Lord's work, but was used for secular purposes, including occasional social events,'

"Actually, this practice accords with the history of religion and its practice down the centuries."

"Since the beginning of group religious services way back in early human history, men have worshiped God wherever they could."

The President pointed out that in pioneer days, particularly in the West, services were often held in country schools, houses, lodge halls and other secular meeting places.

He recalled that he was reared in a home where religion was an important part of

St. John United to Mark 110th Anniversary Year

St. John United Church of Christ, 2901 Nameoki Road, will celebrate its 110th anniversary Sunday morning with two special speakers, the Rev. Paul Shoppe and the Rev. Chester Uthlaut, the only two living former pastors of the church.

The Rev. Shoppe, who is now retired and lives in St. Louis, served from April 10, 1928, until July 7, 1944. The Rev. Uthlaut served as pastor from Sept. 1, 1944, until Oct. 2, 1953, and now serves at the Pilgrim Faith United Church of Christ in Oak Lawn, Ill.

Both ministers will speak at the two morning worship services at 9 and 10:20 a.m. Following the second worship service the congregation will adjourn to Fellowship Hall for a catered noon meal. Reservations are due today and may be made by calling the church office at 877-9080.

\$2.1 Million in Building Permits Issued in Month

Forty-eight building permits listing values totaling \$2,136,710 were issued for new construction in Granite City during October.

The activity made the month the highest since December 1968 when St. Elizabeth Hospital obtained a permit for its \$7.8 million addition.

The top project included in the total is the new K-Mart Store being constructed at a cost of \$1.6 million.

The permits included nine for commercial purposes with values at \$1,631,000; one home, \$15,000; three additions, \$8,900; 12 garages and carports, \$19,100; 17 for remodeling and repairs, \$24,965; four mobile homes, \$17,495; and two miscellaneous, \$400,250.

In addition, three permits were issued to demolish structures at a cost of \$4,550.

Obtaining permits at the end of the month were Philip Merz, 2401 Jerden Ave., remodel interior, \$1,000; Gerald Hicks, 2258 Nevada, repair porch and attic, \$700; Clarence Hoffman, 2031 Missouri Ave., a garage, \$500; Russell Johnson, 2624 Washington Ave., a garage, \$4,000; and Wade Randall, 1444 Joy Ave., a utility room, \$600.

Church Youths Plan Paper Drive Saturday

A paper drive will be conducted Saturday by the Christian Youth Fellowship of Central Christian Church.

All kinds of paper except magazines will be accepted. Papers must be tied in bundles or placed in paper sacks.

The youths will pick up papers from persons calling 876-0332 between 8 a.m. and 3 p.m. Saturday, or papers may be delivered to the rear of the church, 2020 Johnson Road.

FIRES EXTINGUISHED

Smoking in bed was blamed for two fires early this week in Granite City. City firemen were called to the home of Shirley Callahan, 4601 Kirkpat, where fire caused about \$400 damage to the apartment. Firefighters also were summoned to the home of Larry Trindle, 2008 Twelfth St., where a \$25 loss from fire was reported.

HITS TRAFFIC SIGNAL

An auto driven by Robert A. Dunn, 223 Cleveland Blvd., struck a traffic signal standard at E. 23rd Street and Nameoki Road where his brakes failed Monday. His auto then spun and hit a utility pole across the street.

No Food Stamp Centers Here, Lawsuit Contends

An attorney of the Land of Lincoln Legal Services Society, 408 Madison Ave., Madison, filed a petition for a writ of mandamus in the Circuit Court of Madison County on behalf of certain recipients of food stamps in Madison County against officials of the Illinois Department of Public Aid.

The suit seeks to compel Edward Weaver, director, Illinois Department of Public Aid, and other named officials of the department to process administrative appeals filed by over 200 persons protesting the alleged lack of convenient food stamp distribution centers in Madison County.

The lawsuit is part of a concerted effort on behalf of a number of community organizations, including that Madison County Welfare Rights Organization and the United Black Workers of Madison-Venice "to obtain adequate food stamp distribution in the county and particularly in the Granite City-Madison-Venice area."

At present, the only locations where food stamps may be purchased are in East St. Louis and Alton, necessitating much traveling and other hardships for food stamp users in the Granite City-Madison-Venice area, the suit contends.

Interest Grows in State Scholarship Programs

By RAY SERATI
Copley News Service

Springfield — Illinois higher education officials report there is increasing interest in the state's program providing dollar-for-dollar state grants to students self-help scholarship programs.

Under the terms of the program which was approved by the General Assembly, a \$1,000 maximum limit on individual scholarship grants has been set. The bill was sponsored in the General Assembly by Sen. Stanley B. Weaver, R-Urbana and Rep. Charles Clabaugh, R-Champaign.

The program is in addition to the regular state scholarship program now in operation. Over 70,000 students have taken advantage of the regular scholarship program, handled by the Scholarship Commission.

Vadalabene, Calvo Speak at Eagles Meet

Senator Sam Vadalabene (D-Edwardsville) and State Representative Horace Calvo (D-Granite City), were guest speakers last week at an annual kick-off dinner to aid senior citizens and the Meals-on-Wheels program. The event was held at the Eagles Hall by Eagles Aerie 1126.

More than 200 members and guests attended the affair arranged by Chris Von Nida, chairman of the Senior Citizens Committee. Von Nida spoke on the past progress concerning the two programs and what the Eagles organization has planned in this year's drive.

He also discussed plans for a Thanksgiving dinner to be served to Senior Citizens at the Ponderosa Steak house, at no cost to the guests.

During the dinner, which was served by the Ladies Auxiliary, entertainment was furnished by the "Sylvic Serenaders," a group of young musicians that donated their time for the program.

GC Town Board OKs Bills of \$14,047

The Granite City Council, meeting Monday night at the town board, approved bills totaling \$10,444 from the general assistance fund and \$3,603 from the town fund.

General assistance payments included \$7,532 for food, \$1,063 for services, \$1,091 for salaries, \$460 for prescriptions, \$21 for support and \$294 in operating expenses.

Town fund bills included \$2,612 in salaries, \$166 in expenses for town officers, \$314 for office expenses, \$290 in per diem payments and \$16 for services.

Girls Athletic Policy Set by School Board

Girls in Granite City junior and senior high schools will continue to refrain from interscholastic athletic competition, according to a policy adopted by the Board of Education Monday night.

The board acted on the policy recommendations for girls varsity sports presented by Miss Barbara Kerch, consultant for physical education, who noted that during the past few years there has been a marked growth in interscholastic varsity athletic competition for girls with the endorsement of the Illinois High School Association.

According to the policy statement, the senior high schools may participate in district and state tournaments sponsored by the IHSA in the sports for which appropriate supervision, facilities and budget can be made available and which are included as a part of the school's instructional and intramural program for girls.

Senior-high schools may issue and accept invitations for sports days and matches in individual and team activities that are approved by the IHSA when the administration responsible for the girls program believes it would be beneficial to the students to participate.

The schools will continue to participate in tournament, award, camp, workshop, clinic and play day programs of the IHSA and will continue to put

primary emphasis on the existing GAA and intramural programs as long as there is sufficient student interest.

A major objective of the program is and shall continue to be to provide both competitive and non-competitive experiences among the various schools within the district.

Priority in the selection of staff, use of facilities and expenditures shall be as follows: Required instructional program; before and after school interclass intramural programs within each building; coordinated competitive and non-competitive programs between the secondary schools within the district, including GAA programs; participation in IHSA-sponsored district and state tournaments; and departmentally controlled sports days.

The board is to review the program and policy each year.

SOLDIER ARRESTED
Mikel Ray Brown, 21, of 412 Main St., Venice, was arrested by Venice police in Venice at 2:35 p.m. Monday. He allegedly was absent without leave from the U.S. Army. He was placed in the custody of Army officials.

80 Area Students Named State Scholars

The Illinois State Scholarship Commission today named 15,200 students, including 80 from this area, as state scholars in the 1973-74 competitive state scholar program. High school academic record and examination scores are used in the selection.

The state scholars represent nearly every high school in the state and were chosen from the 51,000 students who entered the competition by taking either the April 22 or July 15, 1972, examination administered by the American College Testing Program (ACT).

All state scholars received a Certificate of Merit from the commission which identifies them as having high academic achievement in high school.

Monetary Awards up to \$1,200 for 1973-74 for use toward tuition and mandatory fees at public or private colleges or hospitals of nursing in Illinois of the student's choice will be conferred upon those who have financial need as determined by the ISSC need analysis formula, which is evidenced by data provided by the student and his family in the monetary award application.

Any student who is not named in the competitive state scholar program who also is a permanent resident or citizen of the United States an Illinois resident, and will attend an approved college, university, or hospital school of nursing in September 1973, may obtain a 1973-74 monetary award application.

Any student who is not named in the competitive state scholar program who also is a permanent resident or citizen of the United States an Illinois resident, and will attend an approved college, university, or hospital school of nursing in September 1973, may obtain a 1973-74 monetary award application.

Rita Byrne Elected New Council Explorer Officer

Rita Byrne, president of Explorer Post 123 sponsored by St. Elizabeth Hospital, was elected second vice-president of the Cahokia Mound Council, Boy Scouts of America, Post Presidents' Association at a conference in Springfield during the weekend.

Other officers elected were Kevin Tooley of Post 39, association President; Janice Morris Post 75 first vice-president; and Denny Lybarger of Post 38, secretary, all of the Collinsville area.

Elected treasurer of the association was Gregg Durbin of Highland Post 40. All the officers elected also are presidents of their respective Explorer units.

A highlight of the planning conference was the keynote speech by J. R. Davidmeyer, a Jacksonville Ill. contractor who is Explorer chairman for the East Central Region of the Boy Scouts of America.

Davidmeyer is a volunteer Scoutmaster who is responsible for the Explorer program in Wisconsin, Michigan, Indiana, Ohio, West Virginia, part of Kentucky, and central and northern Illinois.

Explains Movement
Davidmeyer challenged the Explorer officers to really investigate the world of Exploring. He outlined the background of the Explorer movement and how the program is designed to offer alternate routes to accomplish the needs, desires and concerns of the next generation of citizens.

He pointed out that this is done through the six Explorer experience areas: social, vocational, outdoor, personal fitness, service, and citizenship.

G. J. Hein, scout executive

Gardner Heads State Council Board Meeting

Barry Lee Gardner, son of Mr. and Mrs. Norman Gardner, 2770 Nameoki Drive, presided at a meeting of the executive board of the Illinois Association of Junior High Student Councils Saturday at Peoria.

He is the representative from the southwestern district. He was elected to the post at the state convention held in May at Peoria. He is a student at Prather Junior High School.

Also attending from Prather were Keith Moran, president of the Student Council; Monica Grim, secretary; and Susan Worthington, treasurer.

POST PRESIDENT ASSOCIATION OFFICERS. The Cahokia Mound Council, Boy Scouts of America Post Presidents' Association, elected officers at a planning conference in Springfield during the weekend. New officers, from left, are Gregg Durbin of Highland Post 40, treasurer; Denny Lybarger of Collinsville Post 38, secretary; Rita Byrne of Granite City Post 123, second vice-president; Janice Morris of Collinsville Post 75, first vice-president; and Kevin Tooley of Post 39, president. All the officers also are presidents of their respective Explorer Posts.

of the Abraham Lincoln Council, B.S.A., was a special guest at a Sunday noon banquet attended by the post officers.

Explorer posts represented by their officers from this area were Posts 5, 6, 68, 94, 104, and 123. A total of 16 of the 22 Explorer units in the local Scout council were represented.

Discussions were held on post newsletters, responsibilities of officers and an open forum discussion of Exploring.

While the capital city, the 69 post officers toured the capitol building and Lincoln shrines. The conference was planned and directed by Mike Bilbey of Venice, president of Explorer Post 104. John Schulte, president of Post 39 from Edwardsville, and Tooley, the newly elected president.

The young men were assisted by David Wilson, Explorer chairman for the Cahokia Mound Council and Mark Yehling, professional adviser to the council Exploring Committee.

Peter Frampton Mixes Hard With Soft Rock

By JUDY HUGG

Copy News Service

Peter Frampton mixes up a smart batch of hard and soft rock on his latest release called "Out of Changes" on A&M Records. His style is well defined and easy to listen to, for he is a multi-talented young man.

In addition to producing his album, Peter also penned all the songs on the exception of "Jumpin' Jack Flash," and he does a nice job in handling lead vocals, organ and guitar. Ringo Starr and Billy Preston sit in on some selections, adding to a more than adequate musical background. Some selections include "Oh For Another Day," "All I Want To Be (is by your side)," "Wind Of Change," and "All Right."

There's a new album out of marches that will get you on your feet in about two seconds, if marches are your thing. It's RCA's "The World's Favorite Marches."

It features Arthur Fiedler and The Boston Pops on "The Stars and Stripes Forever." "Colonel Bogey" which was written in 1916, and revived in World War II, and then again in the movie "The Bridge on the River Kwai," Eugene Ormandy and the Philadelphia Orchestra on "March of the Treaders," Jean Martinon and the Chicago Symphony on "Wedding March," and Erich Leinsdorf and the Boston Symphony on "Festmarsch" from "Tannhauser."

Song Stylings
The simple, forthright title—"The Joy Heartbeat Album" on MGM Records—is in keeping with her song styling. Joey Spring, an instrumental, and "Spring," Denver, who is becoming a superb musical poet, penned as he did much of the album and he sings it with all the sincerity and emotion that must have inspired him to write it in the first place. "Dar- Farrow," written by Steve

ing is her handling of that old favorite "Somewhere to Watch Over Me."

What are the world's favorite operas? According to RCA's latest album, they are Bizet's "Carmen," Donizetti's "Lucia di Lammermoor," Verdi's "Aida," "Il Trovatore," "Rigoletto," and "La Traviata"; Offenbach's "Tale of Hoffman"; Wagner's "Die Walkure"; Puccini's "Madam Butterfly"; and "La Boheme"; Leoncavallo's "Pagliacci"; and Rossini's "The Barber of Seville."

Arias from all of these operas are included on The World's Favorite Grand Opera. Singers include Leontyne Price, Anna Moffo, Robert Merrill, Placido Domingo and Richard Tucker. The performances are top quality. An excellent introduction to the world of grand opera.

"Portrait of Sammy Davis Jr.," released by MGM Records presents a flattering picture. Davis shows his versatility in a well-balanced variety of songs. From the gospel-rock of "You Can Have Her" to the rollicking, lighthearted "Sweet Gingerbread Man," to the warm tenderness of "When the Wind Was Green," he shows his diversity and feeling for mood. This is an album that deserves a lot of listening.

John Denver has a new album out that is sure to make the top 40 in a hurry. "Rocky Mountain High" on RCA Records is largely a tribute to the wonder and beauty of nature.

"Season Suite" consists of five songs representing the seasons: "Summer," "Fall," "Winter," "Late Winter," "Early Spring," an instrumental, and "Spring." Denver, who is becoming a superb musical poet, penned as he did much of the album and he sings it with all the sincerity and emotion that must have inspired him to write it in the first place. "Dar- Farrow," written by Steve

Two Pledge Sorority

Barbara Little, daughter of Mr. and Mrs. Douglas Little of Granite City, and Carla Mathias, daughter of Mr. and Mrs. C. E. Mathias of Granite City, have become pledge members of the Gamma Iota chapter of Delta Gamma Sorority at DePaul University where they are freshmen. Both are graduates of Granite City High School.

Mayor Partney Declares Youth Appreciation Week

Mayor Donald Partney has declared the week of Nov. 13-19 as National Youth Appreciation Week. The proclamation follows:

Whereas, the vast majority of the youth are concerned,

knowledgeable and responsible citizens, and

Whereas, the accomplishments and achievements of these young citizens deserve recognition and praise of their elders, and

Whereas, Optimist International has for the past 18 years developed and promoted a program entitled National Youth Appreciation Week, this year to be observed November 13-19, and

Whereas, the citizens of the City of Granite City have indicated a desire to join with the Optimists in expressing appreciation and approval of the contributions of the youth, I, Donald Partney, Mayor, therefore proclaim Nov. 13-19 as National Youth Appreciation Week in Granite City.

By this action, let it be known that we have faith in

Madison Student Hired As Instructional Aide

Cynthia Craig of Madison is one of 16 students at Southern Illinois University at Edwardsville who have been hired as instructional aides and graduate assistants under a \$38,800 grant from the U. S. Bureau of Education for the Handicapped.

The undergraduate and graduate students are enrolled in the special education department. William Whiteside, department chairman, said instructional aides help SUIE faculty members with their classes, do library research or work at the Special Education Center on the Edwardsville campus. Graduate assistants generally are assigned to a specific faculty member to help in teaching, research and community service.

the ability of today's youth as they assume responsible roles in the future of mankind.

Miss Knapp Teaching Elderly in Colorado

Mindy Knapp of Granite City, a freshman at the University of Northern Colorado at Greeley, is conducting a class for the elderly at a Greeley nursing home as a special project. She is majoring in special education and attended Southern Illinois University at Edwardsville last year. Her parents are Mr. and Mrs. George Knapp, 3301 Harvard Place.

Anita Turner Installed To Lead Moonspinners

The Moonspinners 4-H Club installed new officers at a meeting held at the Namack United Presbyterian Church.

Mrs. Elizabeth Schmidt, club leader, and members of the club conducted the candlelight installation ceremony. Marjann Yevin installed the new president, Anita Turner, and presented her with a gavel and a green candle. Ann Uram installed the vice-president, Lori Malottki, giving her a white candle.

Jane Friederich installed Maria Schmidt, secretary, who received the secretary's book and installed Rosalie Ponce as treasurer, giving her the books of office and a white candle. Rita DeRuntz presented a blue candle to Karen Ozun who was installed as the new recreation chairman.

A yellow candle was lit for "club spirit," and the new officers carried were then lighted to represent "head," "heart," "hand," "health" and "club." Members recited the 4-H Club Pledge in unison. The inspirational ceremony closed with the 4-H motto, "To Make the Best, Better."

Anita Turner presided, and Lori Malottki called roll, which the girls answered giving the name of their favorite tree. Marjann Colbert led the Pledge of Allegiance. Leaders present were Mrs. Schmidt, Mrs. Ruth Malottki, Mrs. Catherine Ponce and Mrs. Josephine Uram. Mothers present included Mrs. Marie Turner, Mrs. Margaret DeRuntz and Mrs. Deanna Ketcher.

Mrs. Malottki discussed tips and techniques for a good demonstration and talk, and Mrs. Ponce reported on the results of a recent bake sale.

Plans were discussed for the holiday party and caroling and the members the fun presentation. November newsletters were distributed.

Connie Acosta was elected sergeant at arms. Anita Turner and Marjann Yevin will represent the Moonspinners as federal delegates.

Junior club leaders for the year will be Ann Uram, Kathleen DeRuntz and Marjann Yevin.

The leaders announced the 4-H Achievement Night, and that a project night will be held Thursday, Nov. 16, at 7 p.m., at the church, with Mrs. Malottki instructing in presentation. Assistance will also be available for other projects and project books will be on hand.

Secration was led by Karen Ozun assisted by Ann Uram and Rosalie Ponce. Refreshments were served by Connie Robbins, Sheila Hinz, Deborah Scherke and Connie Acosta. A large orange candle served as their centerpiece.

Others attending were Chrystal Andrews, Mary Jane Bushong, Mary Anne Bequert, Karen Davis, Sandy Haupt, Donna Ketcher, Sherry Ketcher, Tammy Pounds and Betsy Slane.

Lake Forest College Agent to Visit GCHS

John L. Nelson, assistant director of admissions Lake Forest College, will visit Granite City High School at 11:30 a.m. Monday to discuss the many options now available to liberal arts students at Lake Forest.

The private, coeducational four-year college embarked on a program of new academic combinations which includes lectures, discussions, seminars, colloquia, tutorials and independent study projects, in a more open curriculum.

Lake Forest has just adopted a 3-2-3 calendar which provides opportunities for the diverse body of 1,100 to concentrate on two subjects during the winter term, or take advantage of off-campus programs such as internships with nearby businesses, extended field trips (such as in marine biology in Florida), or course work at other colleges or universities.

A facet of its educational program is its provision for foreign study. Fall term abroad includes sessions in either Brussels or Madrid, Florence, Italy, and Sierra Leone, West Africa. Bases of operations during the winter term, while spring term may be spent in Vienna or Athens.

GC Students to Select New Name, Colors

Students who will attend the new Granite City High School North next year will select a team name and school colors according to plans approved by the Board of Education Monday night.

Voting will be conducted at the junior high schools and at GCHS. Official adoption will be made by the board at its Nov. 29 meeting.

Representatives of student bodies from the school have determined the following team names to be the most popular: North Stars, Steelers, Raiders, Royals and Knights.

They suggested two color combinations for each team name: Knights, purple and gold or royal blue and gray; North Stars, navy blue and white or royal blue and gold; Royals, purple and white or royal blue and gold; Steelers, royal blue and gray or black and gray; and Raiders, royal blue and red or royal blue and white.

GSI Retirees Are Honored at Dinner

A dinner party was given in Charlie's Restaurant this week to honor two employees of General Steel Industries who are retiring after a combined 91 years of service.

Retirees Leo Anthony of Granite City, superintendent of foundry personnel, has worked at the plant 49 years, and John DeLaney of St. Louis, general foreman of the plant has been a 42-year employee.

Carl Schoenman, superintendent of the foundry, served as master of ceremonies and presented the honorees with a silver bowl, a gift from General Steel Industries. They also received gifts from the dinner guests.

Those attending were Vess Kreher and Doug Sullivan, Belleville; Tom Boylan, Spanish Lake, Mo.; Werner Wienert and William Potts, Florissant, Mo.; Archie Seaman, Collinsville; Dan Cusinelli, Maryville; Frank Woztowicz, Caseyville, and Walter Ameling of St. Louis.

Granite City guests included John Sigite, Herman Schoeber Jr., A. Heaton, Ira Campbell, Hap Schoeber, Ralph Hampe, Jack Lawson, H. Harris, Frank Clark, Harold Gattung, William Dilday, Emmett Neuling, Carl Erickson and Leslie Moore.

Mayor Declares Bible Week Nov. 19 to 26

Mayor Donald Partney has declared the week of Nov. 19-26 as Bible Week in Granite City. The proclamation said:

Whereas, the Bible is the Foundation Book for Christians and Jews and a priceless collection of history, literature, poetry and Divine revelation for the edification of all people; and

Whereas, Biblical principles undergird the moral and legal system which governs our way of life; and

Whereas, there is a continuing need to understand more fully the moral and spiritual insights of the Bible that shape personal character and foster social responsibility;

Now, therefore, I Donald Partney, mayor of the city of Granite City, do hereby proclaim the week of Nov. 19-26, 1972, to be Bible Week in Granite City and urge all men, women and children of all faiths to observe the week by reading the Scriptures.

Revival Set Nov. 13-19 At Graceland Baptist

Revival services will be held at Graceland General Baptist Church, 2033 Johnson Road, Nov. 13 through 19. It was announced today by the pastor, the Rev. Harry Sonny Floyd.

The Rev. Melvin Keena, Popular Bluff, Mo., will conduct the daily services at 7:30 p.m. Special musical and singing programs will precede the evening sermons.

FRIGHTEN THIEVES

Robert Pulliam, 1593 Cottage Ave., apparently frightened burglars from his home during the weekend, but not before they had taken two wrist watches, 10 silver dollars and an assortment of old coins. Returning home, he found someone had forced a rear door and ransacked the house. The thieves apparently left by a rear bedroom window when Pulliam returned.

BACKING AUTOS COLLIDE

Autos being backed by Mary Widel, 2456 Hodges Ave., and Frank Baran, Rural Route Two, collided early this week at the Nameoki Village shopping Center.

Open House Planned At New Dental Clinic

Lewis and Clark Community College will open the doors of its new dental clinic for public viewing from 2 to 5 p.m. Sunday.

The clinic, which received its first patients on Nov. 1, is designed to give immediate dental care to the community while providing a teaching situation for the dental assisting students.

Thirty students are enrolled in the nine-month program this semester, studying biological sciences, diagnostic procedures, use of dental material, secretarial skills, dental laws and ethics, and concentrating heavily on actually assisting a dentist as he treats his patients.

Until recently, classes were held in various lecture and laboratory rooms on campus, until completion of the new facilities last week. The clinic consists of one large laboratory for class instruction, two smaller laboratories for more advanced procedures, two rooms equipped as dental offices with up-to-date equipment, a dark room for x-ray processing, and a control room for teaching proper mouth care.

Several interested dentists from the community are giving their time to teach chairside dental assisting. During the planning stages, the LCCC health occupations staff was assisted by an advisory committee composed of Mrs. Dorothy Beach, R.N., and dental assistant from Jerseyville; Mrs. Sandra Koch, dental hygienist from Alton; Dr. Frederick Custer, Alton; Dr. Edgar Davidson, East Alton; Dr. Daniel Elliott, Edwardsville; and Dr. Phillip Ritter, Jerseyville.

Students in this year's class will serve as hostesses for the open house. The clinic, which is located at 6 West Elm St. on the LCCC campus, The public is invited.

Push to Get Car Started Now Legal in Urban Area

With old man winter just around the corner, the Illinois State Bar Association has established a new winter driving tips, including a few pointers on the law.

First, the bar group observes, it is now legal in urban areas for one vehicle to push another. The person whose car has been stalled in a residential or business district is free to call upon a neighbor or friendly motorist for a push to help get his car started. Pushing of one vehicle by another had been prohibited under a 1967 law and still is illegal on public roadways in rural areas, where the pace of traffic poses greater dangers.

Motorists are cautioned, however, that pushing of vehicles always is hazardous because of the poor control of his vehicle by the driver who is being pushed and the obstructed vision of the driver who is doing the pushing. Moreover, pushing can result in damage to automatic transmission and a suspension system of the new shock-absorbing tire bumpers. There are other matters of law and common sense dealing with winter driving.

Keep windows free of ice and snow. A peep-hole in a windshield that is otherwise covered with ice and snow isn't enough to satisfy the law or provide safe driving. You must have clear vision of the highway unobstructed by ice or non-transparent material in the front windshield or on side or rear windows.

Turn on headlights for safety. The law requires that head-

GC Meter Income Headed For Record Year in 1972

Granite City's income from parking meters is approaching a record for any year since the meters were installed.

The record of \$59,826 was set in 1970. The first 10 months of this year, \$41,582 has been collected, exceeding the \$40,435 collected in the same period of the record year. The Christmas shopping rush is expected to boost this year's total to about \$51,000 by the end of December, breaking the record.

In 1971, \$48,949 was collected during the year, including

County Salary Hikes Could Cost \$350,000

Proposed salary, cost of living and fringe benefit increases for Madison County employees could add about \$350,000 to the 1973 budget.

With the hikes, the budget could exceed \$10.7 million, up \$300,000 over the current budget.

Most of the proposed increase, \$132,000, is earmarked for employees in lower pay grades, mainly typists, clerks and bookkeepers.

Of the 470 county courthouse employees, 244 earn less than \$6,500 a year, with some earning less than \$5,000, according to a survey.

County officials noted that persons employed in the federal emergency employment program receive higher salaries than the county employees who have worked three or more

State to Review Cases Of Families Getting Aid

The current eligibility of families receiving Aid to Families with Dependent Children (AFDC) will be reviewed over the next four to five months, according to Edward T. Weaver, director of the Illinois Department of Public Aid.

Weaver said the face-to-face review, which began statewide earlier this month, will cover approximately 160,000 AFDC cases. More than 116,000 of the families reside in Cook County.

Purpose of the review, according to Weaver, is to update records and establish the financial eligibility of families receiving AFDC. He said the department is preparing for a complete reorganization of services by January, and the review was planned early this year as part of the preparation for that reorganization.

Four hundred case aides were hired and trained through the state in September to conduct the review. They are interviewing clients in their own homes in downstate counties and in four special review locations in Cook County.

Financial Eligibility "This is not a full study of each case, but a simple determination of financial eligibility for assistance," Weaver said.

"Outside income, insurance, cash assets, rent, utilities, and special work expenses are verified and compared with budget information on record in Springfield."

"If a case is found to be ineligible, or an adjustment is needed in the grant, the reviewers send a recommendation for action to the county or district office which serves the case."

An audit will be done at the conclusion of the review to

Births, Deaths in Decline This Year

The number of births in the Quad-Cities during the first 10 months of this year is the smallest for the period since 1967 and the number of deaths here thus far this year is the lowest in recent years.

A vital statistics report released this week by Robert W. Stevens, city clerk of Granite City, showed that 873 births were reported here through the end of October while 334 deaths occurred.

The births show a sharp decline from the 1,014 births during the same period last year and the 1,055 through October of 1970. In 1967 a total of 813 births was reported in the first 10 months.

The 334 deaths is down from 414 in the same period last year and 447 in the first 10 months of 1970. The previous low was 338 reported in the same period of 1964.

Births included 107 during October, more than the 106 in October last year but fewer than the 114 births here in the same month of 1970.

Last month, 27 deaths were reported, more than the 20 in October 1971 but fewer than the 33 in October 1970.

No fetal deaths were noted in October, leaving the total number for the year at seven. Eleven fetal deaths were reported in the first 10 months of 1971 and 10 occurred in the same period in 1970.

"For this reason, statistical reports on the review will not be made public until a clear picture of the findings is possible."

Two Women Arrested After Theft from Store

Two St. Louis women were charged with the theft of four men's suits valued at \$200 from the P. N. Hirsch Store, 16th Street and Edison Ave., on Monday.

Arrested in an auto by Venice police at Broadway and Robin Street were Loreta Borroun, 31, and Georgia Marks, 40. They entered innocent pleas on charges of conspiracy and theft and were released on \$2,500 recognizance bonds after each posted \$150 cash bail.

BURGLARS TAKE JEWELRY

A jewelry store containing several pierced earrings and necklaces were stolen in a burglary at the home of Sharon Mathis, 2105 Illinois Ave., it was reported Monday. Also taken were an unknown quantity of pennies from a dresser drawer. Entry was gained by breaking the rear door glass. She reported it was the fifth break-in in as many weeks at her home.
